Pastoral Care in Historical Perspective William A. Clebsch, 1964

**Pastoral Care in Historical Perspective** William A. Clebsch, Charles R. Jaekle, 1983 This essay with exhibits is a timely and significant resource in the identity crisis which grips the pastoral ministry today It is a reminder that self understanding is a dialogue with history as well as rigorous self examination here and now The authors blend historical perspective with theological reflection within the context of pastoral care The focus here is upon the four pastoral functions healing sustaining guiding and reconciling

**Pastoral Care in Historical Perspective. An Essay with Exhibits, Etc** William Anthony CLEBSCH (and JAEKLE (Charles R.)), Charles R. JAEKLE, 1967

*Spiritual Resources in Family Therapy* Froma Walsh, 2008-12-04 Exploring the role of spirituality in couple and family relationships this successful text and practitioner guide illustrates ways to tap spiritual resources for coping healing and resilience Leading experts in family therapy and pastoral care discuss how faith beliefs and practices can foster personal and relational well being how religious conflicts or a spiritual void can contribute to distress and what therapists can gain from reflecting on their own spiritual journeys The volume is rich with insights for working with multi faith and culturally diverse clients

**The Encyclopedia of Christianity** Erwin Fahlbusch, Geoffrey William Bromiley, 1999 Containing more than 300 articles covering the alphabetical entries P Sh this book also includes articles on significant topics ranging from Paul political theology and the Qur'an to religious liberty

salvation history and scholasticism      Theological Reflection Edward O. De Bary, 2003 Theological reflection has its roots in the works of Bernard Lonergan David Tracy James and Evelyn Whitehead John de Beer Patricia Killen Flower Ross and Charles Winters It provides a way of learning theology so that participants can develop congruence between life's experience the world and the Christian faith the reflective methods are useful educational tools Other discipline may find them useful to enhance the way seminars are organized as learning opportunities to discover meaning      **Practical Theology** Richard R. Osmer, 2008-07-02 Every church congregation encounters challenging situations some the same the world over and others specific to each church Richard Osmer here seeks to teach congregational leaders including but not limited to clergy the requisite knowledge and skills to meet such situations with sensitivity and creativity Osmer develops a framework for practical theological interpretation in congregations by focusing on four key questions What is going on in a given context Why is this going on What ought to be going on and How might the leader shape the context to better embody Christian witness and mission The book is unique in its attention to interdisciplinary issues and the ways that theological reflection is grounded in the spirituality of leaders Useful accessible and lively with lots of specific examples and case studies Osmer's Practical Theology effectively equips congregational leaders to guide their communities with theological integrity      The Concise Dictionary of Pastoral Care and Counseling Glenn H. Asquith JR., 2010-09-01 The Concise Dictionary of Pastoral Care and Counseling is a condensed version of the Dictionary of Pastoral Care and Counseling first published in 1990 with new and updated articles This book provides classic and key articles that explain current theories trends and practices in the field of Pastoral Care and Counseling Contents include Definitions History and Biography Issues of Power and Difference Interfaith Issues and Methods Clinical Method and Pastoral Theological Method      **Paul Tillich and His System of Paradoxical Correlation** Charles Amarkwei, 2020-05-05 This book shows the paradoxical mode by which Christians keep their faith in the Christian message as they relate with science It reveals how Paul Tillich's method of correlation helps us to understand how Christians interact with science without necessarily conflicting separating and dialoguing and synthesizing with each other It rules out natural theology but provides a non eclectic theology of nature that frees Christians to be involved in science meaningfully and without undermining their faith      SCM Studyguide Pastoral Theology Margaret Whipp, Michael Byrne, 2013 The SCM Studyguide Pastoral Theology designed to support undergraduate courses for the training of clergy and lay pastoral workers at an accessible introductory level The book aims to develop pastoral wisdom and integrity through a critical integration of theology and the human sciences Introducing key themes in theological anthropology and pastoral practice it shapes a creative pastoral vision which is deeply rooted in a Christian vision of what it means to be human and what it takes to care Working with case studies the book will introduce broad frameworks of understanding of issues such as growth loss and sexuality together with critical perspectives on important aspects of practice such as language power and boundaries The book provides an accessible overview of key concepts in pastoral theology

offering key entry points for further discussion and study Each chapter includes discussion questions and or reflective exercises at the end of each chapter together with a short bibliography Throughout the text key summaries of learning will be indicated by boxed Practice Points *The Wiley Blackwell Companion to Practical Theology* Bonnie J.

Miller-McLemore,2014-01-07 Through a series of essays contributed by leading experts in the field The Wiley Blackwell Companion to Practical Theology presents an introduction to practical theology as a major area of Christian study and practice including an overview of its key developments themes methods and future directions The first comprehensive reference work to provide a survey description and analysis of practical theology as an area of study A range of leading scholars in the field provide original contributions on the major areas issues and figures in practical theology Reviews an extensive range of methods for studying theology in practice along with sub disciplines in theological education such as pastoral care and preaching Covers developments in the discipline in a range of global contexts and distinct Christian traditions Shows how practical theology is relevant to everyday life Spirituality in Pastoral Counseling and the Community Helping Professions Harold G Koenig,Charles J Topper,2012-10-12 An enlightening guide to bringing spirituality into the helping professions This unique handbook will help you make the journey that will turn spirituality into the touchstone of your practice For too long spirituality has been a skeleton in the closet of many practitioners but now there is a growing movement to integrate the vital beliefs of clients into the healing process Spirituality in Pastoral Counseling and the Community Helping Professions addresses the core values of the movement providing you with a step by step process you can follow to increase empathy and healing while building on the foundation of spirituality Each chapter includes penetrating reflection questions to help you better understand your own spiritual perspective and a list of suggested resources to help you learn more Spirituality in Pastoral Counseling and the Community Helping Professions investigates the best tools for spiritual assessment how ethnic background influences spirituality the language of the sacred in daily life how people can develop greater empathy integrating spirituality into community the importance of ritual As author Dr Charles J Topper says Spirituality is the integrating core element of human experience Reading this book both clients and care providers will learn to explore their own vibrant spirituality a powerful innate source of strength and healing Spirituality in Pastoral Counseling and the Community Helping Professions aims to make spirituality more accessible to everyone Spirituality in Pastoral Counseling and the Community Helping Professions shows how you can take an active approach to integrating spirituality into your profession helping the people around you see not just their problems but the connections between every facet of their lives Complete with figures assessment scales and surveys and a thoughtful bibliography that points the way to further reading this book is an important resource for professional growth and spiritual renewal **Hope in Pastoral Care and Counseling** Andrew D. Lester,1995-01-01 In this ground breaking book pastoral counselor Andrew Lester demonstrates that pastoral theology as well as social and behavioral sciences has neglected to address effectively the predominant cause of

human suffering a lack of hope a sense of futurelessness Lester examines the reasons that pastoral theology and other social and behavioral sciences have overlooked the importance of hope and despair in the past He then offers a starting point for the development of addressing these significant dimensions of human life He provides clinical theories and methods for pastoral assessment of and intervention with those who despair He also puts forth strategies for assessing the future stories of those who despair and offers a corrective to these stories through deconstruction reframing and reconstruction This book will be invaluable to pastoral caregivers who are looking for a vantage point from which to provide care and to pastoral theologians who are seeking to develop a theological lens through which to understand the human condition

Practical Theology and Majority World Epistemologies Alfred Brunson, Calida Chu, 2024-11-08 This book offers insights into the thinking of majority world practical theologians and introduces the reader to faith realities previously unknown in a quest to create a more inclusive and welcoming practical theological network Practical theologians are situated in all corners of the globe attempting to make sense of their lived experiences and of those around them from a faith perspective Historically practical theology tended to be constructed from academics situated in the West and indirectly marginalized those in and from the majority world Against this backdrop this book is a deliberate attempt to empower practical theological voices from the further corners of the global village based upon the conviction that sharing epistemologies creates an opportunity not only to learn about others and the contexts in which they live but from them enhancing the meaning making of practical theology in the present Cognisant that epistemology as a formal discipline does not always centre lived experience practical theology has historically prioritised the importance of wisdom worldview and a way of life for individual and collective knowing The diverse issues addressed in this work offers insights into the thinking of mainly Asian and African practical theologians and introduces readers to the faith realities previously unknown to create a more inclusive and welcoming practical theological network This book was originally published as a special issue of the journal Practical Theology
