## **Pastoral Epistles New Testament Message 17 A Biblicaltheological Commentary:**

Pseudepigraphy and Ethical Argument in the Pastoral Epistles Lewis R. Donelson, 2015-09-29 By employing analyses of the literary structure of ancient pseudepigraphical letters and of the logical structure of ethical argument this study discovers in the Pastoral Epistles a consistent theological ethic that has cosmological and cultic grounding First an investigation of Greco Roman religious pseudepigraphical letters identifies those literary patterns that determine the form of argumentation in the Pastoral Epistles Second an investigation of the structure of ethical argument produces categories for organizing and analyzing the apparently disorganized arguments in these letters Finally this study concludes that the author of the Pastoral Epistles builds a coherent theological ethic by falsifying Pauline history and by grounding his ethical warrants in church officers

**Persuading the Cretans** Aldred A. Genade, 2011-03-23 The Letter to Titus is often branded as incoherent its salutation inchoate Such premature conclusions are directly related to the authenticity debate that has marred analyses of the so called Pastoral Epistles From the corridors of academia echoes the cry to study the letters individually and independently of the authorship issue This book does exactly that It lays bare intricate and novel persuasive strategies strategies that belie the charge of incoherency In fact there is not one but three ways to describe the structure of this masterfully composed letter In Persuading the Cretans Aldred Genade does this utilizing a technique known as text generated persuasion analysis Careful thought has gone into the composition of the letter to communicate timeless truths relevant for generations of Christians This is first century outcomes based communication at its best and communicators preachers and scholars stand to benefit from the lessons in communication the author of Titus can teach us *1 Timothy* Paul Trebilco, Simon H. Rae, Deolito Vistar, 2023-05-31 *1 Timothy* shows how Christians can live in harmony and with integrity in a society of people with differing religious and cultural beliefs and values This commentary provides an exposition of *1 Timothy* s message which is relevant to many theological and pastoral situations faced by Asian church communities today Along with the detailed commentary the authors provide cultural reflections on various topics surrounding church government and society The Asia Bible Commentary Series empowers Christian believers in Asia to read the Bible from within their respective contexts Holistic in its approach to the text each exposition of the biblical books combines exegesis and application The ultimate goal is to strengthen the body of Christ in Asia by providing a pastoral and contextual exposition of every book of the Bible **Colossians, Ephesians, First and Second Timothy, and Titus** Lewis R.

Donelson, 1996-01-01 Paul s influence on Christian thought has been powerful and formative The deuteropauline epistles attributed to but not written by Paul were actually authored by early Christians in an attempt to apply Pauline insights to particular challenges not addressed specifically by Paul According to Lewis Donelson this rearticulation and reinterpretation of Pauline wisdom served these early communities by linking them more closely to their apostolic roots It also provided them with a living gospel that had continuing relevance for their particular time and place Books in the Westminster Bible

Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups     *Paul, the Pastoral Epistles, and the Early Church* James W. Aageson, 2008 What happened to Paul after Paul This book examines the relationships between Paul's undisputed writings the Pastoral Epistles and the Pauline legacy adopted and adapted by the early church Book jacket     *What Is Scripture?* L. Timothy Swinson, 2014-10-15 Analysis of the literary scheme of the letters to Timothy suggests that *graphe* as it is employed in each letter may legitimately be understood to include some of the apostolic writings that now appear in the New Testament In affirming the Pauline authorship of the Pastoral Epistles Swinson argues that a form of the Gospel of Luke stands as the source of the second referent of *graphe* in 1 Tim 5:18 Second Swinson contends that *pasa graphe* in 2 Tim 3:16 includes the apostolic writings extant in Paul's day specifically Luke's Gospel and some of Paul's own writings These parallel lines of analysis demonstrate that Paul ascribes to his own writings and to those of his coworkers an authoritative standing equal to that of the sacred writings *ta hiera grammata* found in the Old Testament While many questions surrounding biblical authority and the biblical canon remain Paul's use of *graphe* in 1 and 2 Timothy nevertheless advances a high view of both Old Testament and New Testament Scripture     *Handbook on Acts and Paul's Letters (Handbooks on the New Testament)* Thomas R. Schreiner, 2019-11-05 Leading biblical scholar Thomas Schreiner provides an easy to navigate resource for studying and understanding the Acts of the Apostles and the Pauline Letters This accessibly written volume summarizes the content of each major section of the biblical text to help readers quickly grasp the sense of particular passages This is the first volume in the Handbooks on the New Testament series which is modeled after Baker Academic's successful Old Testament handbook series Series volumes are neither introductions nor commentaries as they focus primarily on the content of the biblical books without getting bogged down in historical critical questions or detailed verse by verse exegesis The series will contain three volumes that span the entirety of the New Testament with future volumes covering the Gospels and Hebrews through Revelation Written with classroom utility and pastoral application in mind these books will appeal to students pastors and laypeople alike     *Paul's Understanding of the Church's Mission* Robert Lewis Plummer, 2006 This book engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in missionary activity It helpfully summarizes the discussion on this debated issue judiciously handling contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in mission activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both distinctively Pauline and compelling     *The Baker Illustrated Bible Commentary* Gary M. The Victor Sayings in the Book of Revelation Mark Wilson, 2007-10-01 This is the first major study to focus solely on the victor sayings and should prove invaluable to scholars and students of Revelation and apocalyptic literature It demonstrates that the motif of victory is Revelation s macrodynamic theme Chiasmus is proposed as the book s macrostructure based in part on the chiastic nature of the promises to the victors with the later fulfillment of these promises in the book The proposed forms for the seven letters forms such as edicts oracles and epistles are examined and it is concluded that they are a mixtum compositum best called prophetic letters The sociological significance of victory is explored within the Greco Roman world The text of the promises and their co texts as reflected

intertextually in traditions of biblical literature receive thorough examination The eschatological fulfillment of the victor sayings is surveyed in Revelation's later chapters especially in chapters 21-22 where the new Jerusalem is depicted The study concludes with an investigation of the ways that the promises were appropriated for the time and the text world of Revelation

*Reading the Letter to Titus in Light of Crete* Michael Robertson, 2023-11-20 This volume argues that Titus's invocation of Crete affected the ways early readers developed their identities Using archaeological data classical writings and early Christian documents he describes multiple traditions that circulated on Crete and throughout the Roman Empire concerning Cretan Zeus Cretan social structure and Cretan Judaism He then uses these traditions to interpret Titus and explain how the letter would intersect with and affect readers' identities Because readers had differing conceptions of Crete based on their location and access to and evaluation of Cretan traditions readers would have developed their identities in multiple conflictual even contradictory ways

**This Present Triumph** Richard M. Cozart,2013-09-17 The author of Ephesians shows an interest in the Isaianic new exodus INE in facilitating his focus on the present triumph of the people of God The recipients required both insight and confidence especially in regard to the certainty of their salvation its mysterious nature Jewish Gentile relations and their former manner of life In the face of these challenges the author maintains that victory is secured through God s choice of them and the working of his redemptive program which inevitably leads to triumphal blessings As with the exodus era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth

### **The Pastoral Epistles and the New Perspective on Paul** Daniel

Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective's hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7
