The Power of God's Consciousness James Grant,2022-11-03 The Power of God's Consciousness was written to transform the lives and consciousness of mankind It was written to transform mankind from a sinful nature and more into fellowship with God When we read and study God's divine Word we realize how God's Word can become the bread of life for mankind God's Word must become the bread of life in our lives so that we can experience how God's Word is able to manifest itself in our lives We have to implement God's Word in our hearts and minds as God's Word becomes a part of our lives We have to develop the discipline in our lifestyles that reflect the life of Jesus Christ Everything that we do at this point in our lives should reflect our discipline and consciousness of God's divine Word in our hearts and is acted out in our lives When we have confidence and courage in God's divine Word we are better able to enhance and develop our faith in God We can only understand our purpose and reason for living through how we define God's consciousness in our lives 21st Century

The Wisdom of the Cross and the Power of the Spirit in the Corinthian Church Cletus L. Hull, 2018-10-18 The cross of Christ crucified symbolized the central theme of Paul's ministry In his letter to the Corinthians the apostle commenced his correspondence with the message about the cross and power of God 1 Cor 1 18 NRSV The proposal for this paper utilizes the method analogia scripturae Set within the wisdom motif of the Greco Roman world this study is dedicated to the examination of the apostle's Christology in the context of 1 Cor 1 18 25 and the pneumatology in 1 Cor 2 9 16 as both pericopes are juxtaposed in his epistle Essentially the thesis concerns the grounding of the pneumatology of Paul with his Christology in 1 Corinthians The Corinthian church required clarification and pastoral wisdom with their pneumatic experiences thus Paul recognized that a strong theology of the cross complemented their encounters with the Spirit The question for biblical studies involves a lively tension of the pneumatology of the Spirit with a robust Christology Because the power of God throughout this passage has the cross as its paradigm the structure of the book leads to the significance of the

apostle's pneumatological contribution of the cross and Christ crucified 1 Cor 1 18 2 2 For this reason a strong Christology must ground the pneumatology of the Pauline corpus This study in biblical literature commences a new discussion in ecumenical dialogue between pneumatic experiences in the church and christological issues in Scripture Pastoral Theology James Mason Hoppin, 1884 *Lutheran Companion*, 1905 *A Powerful Presence* Andy Fitzgerald, 2024-12-16 Bethel Church Redding California is one of the most influential churches in America The charismatic megachurch has garnered attention through its widely popular Bethel Music books conferences and senior pastor Bill Johnson Bethel is also known for its instances of supernatural power Divine healings ecstatic manifestations miracles and prophetic words are common at the church As such Bethel has garnered its share of critics and controversies Evangelical pastor Andy Fitzgerald DMin conducted a four month ethnographic study of Bethel Church In the first extensive study of the church Dr Fitzgerald observed and participated daily in Bethel's community sat under its teaching and interviewed its members and leaders to see how the church understands and practices supernatural power In *A Powerful Presence* Fitzgerald analyzes Bethel culturally and theologically by interacting with thinkers such as Charles Taylor Jürgen Moltmann and James Dunn Dr Fitzgerald brings his insights to bear for an appreciative but not uncritical look at Bethel Church This book offers new learnings and opens new pathways for churches and leaders to regain their apostolic footing in today's modern world Disciplines of the Holy Spirit Siang-Yang Tan, Douglas H. The Shape of the Church Ephrem Arcement, 2024-10-03 This is a book to help further the ecumenical cause By providing a new paradigm for growth in ecclesial wholeness The Shape of the Church charts a pathway that is at once biblically and theologically grounded and pastorally applicable Seven interdependent dimensions are identified evangelical pentecostal sacramental intellectual mystical pastoral prophetic which constitute the church's wholeness and safeguard its integrity Throughout church history these seven dimensions have struggled to maintain

a life giving balance and have often isolated themselves from one another distorting the church's catholicity and wholeness. Reform movements have repeatedly arisen to help revive dimensions being neglected but have often over emphasized these dimensions to the neglect of others and further distorted the church's shape. The Shape of the Church seeks to offer a vision of the church that values the full dimensionality of the church and insists upon the giftedness of all its dimensions arguing that the path forward to greater ecclesial maturity and wholeness is only through the nurturing and integration of all its seven dimensions.
