Pastoral Care And The Parish:

Pastoral Care and the Parish Peter Davie, 1983-01-01 **A History of Pastoral Care** G. R. Evans, 2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century **Remarks on the pastoral care of a parish** Spencer Thornton, 1849 **Lay Pastoral Care** Joretta L. Eccentric Ministry Christopher Moody, 1992 Christopher Moody addresses the lack of clarity and certainty about the pastoral role of the clergy by recovering a deeper and more biblical understanding of the role He explores the relationship between pastoral care and authority concluding that there is a need for pastors to re join the community and to identify with the people in it This involves a movement away from some current professional models towards a positive evaluation of the diversity of religious experience and perspectives among the church and unchurched alike

Renewing Pastoral Practice Neil Pembroke, 2013-05-28 This is the first comprehensive treatment of the relationship between the doctrine of the Trinity and pastoral care and counselling Neil Pembroke contends that an in depth reflection on the relational dynamics in the Godhead has the capacity to radically renew pastoral practice Pembroke applies the notion of relational space to care in a parish setting The life of the triune God is defined by both closeness and

open space The divine persons indwell each other in love but they also provide space for the expression of particularity This principle of closeness with space is applied in three different pastoral contexts namely community life spiritual friendship and pastoral conversations The specialized ministry of pastoral counselling is the focus in the second half of the book Informing the various explorations is the principle of participation through love the divine persons participate in each other's existence through loving self communication Pembroke shows how this trinitarian virtue is at the centre of three key counselling dynamics the counselling alliance empathy and mirroring

Facultas Juris Canonici, 2007 **Theological Context for Pastoral Caregiving** William M Clements, Howard W Stone, 2013-09-05 In *Theological Context for Pastoral Caregiving* Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone's work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author's theological understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care *Theological Context for Pastoral Caregiving* provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes **Parish Counseling** Edgar Newman Jackson, 1975 To find more
