Pastoral Psychotherapy Carroll A. Wise, 1987 Pastoral Psychotherapy Carroll A. Wise, 1977-07-07 **Pastoral Counseling - Its Theory and Practice** Carroll A. Wise, 2013-01-30 A guide for people interested in the fascinating field of pastoral counselling A mix of standard psychological counselling and religious teachings Many of the earliest books particularly those dating back to the 1900s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Moving Beyond Individualism in Pastoral Care and Counseling** Barbara J. McClure, 2010-01-01 Despite astute critiques and available resources for alternative modes of thinking and practicing individualism continues to be a dominating and constraining ideology in the field of pastoral psychotherapy and counseling Philip Rieff was one of the first to highlight the negative implications of individualism in psychotherapeutic theories and practices As heirs and often enthusiasts of the Freudian tradition of which Rieff and others are critical pastoral theologians have felt the sting of his charge and yet the empirical research that McClure presents shows that pastoral counseling practitioners resist change Their attempts to overcome an individualistic perspective have been limited and ineffective because individualism is embedded in the field's dominant theological and theoretical resources practices and organizational arrangements Only a radical reappraisal of these will make possible pastoral counseling practices in a post individualistic mode McClure proposes several critical transformations broadening and deepening the operative theologies used to guide the healing practice expanding the role of the pastoral counselor reimagining the operative anthropology reclaiming sin and judgment nuancing the particular against the individual rethinking the ideal outcome of the practices and reimagining the organizational structures that support the practices Only this level of revisioning will enable this ministry of the church to move beyond its individualistic limitations and offer healing in more complex effective and socially adequate ways **Clinical pastoral counseling** Young Hoon Lee, 1987 **Practical Psychology for Pastors, 2nd Edition** William R.
