The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

Pastoral Leadership Won Sang Lee, 2015-01-14 In ascending to heaven Jesus Christ gave the church the Great Commission to expand the gospel to all nations Despite this biblical commission it is still an unfinished task As leaders of local churches pastors play a crucial part in this endeavor Pastoral leadership principles have varied widely throughout history yet it is interesting to discover the similarities between pastoral leadership principles practiced by John Chrysostom AD 347-407 in Antioch and Constantinople and Won Sang Lee 1937 in Washington DC Despite ministering 1600 years apart both pastors share the same core values care for people Christ like character biblical preaching and world missions This suggests that continued emphasis on these principles will play a significant role in fulfilling the Great Commission independent of time and place *From Captivity to Liberation : Some Theological and Pastoral Perspectives on Chronic Renal Failure* Gillian M. Practical Theology Vol 13 **Charismatic Pastoral Care of the Terminally Ill and Chronically Disabled** Jomon K.
John, 2016-09-02 Healing of the sick is a prominent theme in the biblical narratives However when it comes to caring for the
chronically and terminally sick there are no clear directives in the New Testament describing how the church may minister to
them There are significant differences in the way many churches approach this matter Even among the charismatic churches
that believe that the gifts of the Holy Spirit including miraculous healing are available to present day believers there are
differences in the way the sick are cared for This book investigates the pastoral challenges with regard to chronic infirmities
and terminal illnesses in a charismatic church context This is undertaken with the understanding that many who are
chronically and terminally ill in this context present poor medical prognosis and have remained unhealed in spite of prayers
Clear foundational values are drawn for defining the pastoral challenges and objectives Three true cases present in public
domain are presented and analyzed to identify the challenges The pastoral care objectives are defined and strategies are
drawn to meet these The findings and conclusions would be relevant to the pastors the sick and those who care for them and
indeed the whole church The author is personally involved in the care of the sick as a practicing surgeon as well as a pastor
Being a pastor in a charismatic church that believes in praying for miraculous healing of the sick and practicing modern

medicine the author is faced with the challenges of pastoral care for those with poor medical prognosis who remain unhealed in spite of believing in prayers they are very close to his heart The author provides the foundational principles and goals in the pastoral care of such situations and outlines the strategies for doing so without compromising the conviction that Jesus Christ still heals the sick *Pastoral Theology from a Global Perspective* Henry S.
