## **Pat Metheny One Quiet Night:**

**Pat Metheny** Mervyn Cooke, 2017 Pat Metheny The ECM Years 1977 1984 offers a vivid account of jazz guitarist Pat Metheny's first creative period during which he recorded eleven albums for the European label ECM. This unique music reflects his passionate belief in the need to refashion jazz in ways which allow it to speak powerfully to a new generation and the book provides a portrait of a fascinating but often overlooked period in jazz history Pat Metheny Bob

Gluck, 2024-08-05 An in depth exploration of the style and influence of Pat Metheny a truly distinctive musical voice of our time. Guitarist and composer Pat Metheny among the most acclaimed visionary musicians of our time has for five decades toured with his many creative musical projects most prominently the Pat Metheny Group while collaborating with celebrated artists including Charlie Haden Ron Carter Herbie Hancock Ornette Coleman and Steve Reich. Bob Gluck whose perspective as pianist, composer and educator has illuminated the music of Herbie Hancock and Miles Davis in his two previous books now focuses his lens on the music of Metheny. Neither a biography nor chronological record of Metheny's musical output, Pat Metheny Stories beyond Words instead captures Metheny's self-conception as a musician and the threads that unite and distinguish his creative process. Drawing upon a wealth of new interviews and close readings of musical examples, Gluck offers a bird's-eye view of Metheny's musical ideas. Among these are the metaphor of storytelling, the complementarity of simplicity and complexity and the integrated roles of composer, performer and band leader. Much like Metheny's signature style, this book is accessible to a wide range of readers, presenting new clarity, musical insight and historical perspective about the legacy of Metheny's groundbreaking music. **CMJ New Music Report**, 2003-06-16
