The Path to Enlightenment: Decoding Patanjali's Philosophy for Modern Times (Foreword written by David Frawley) Borzou Ghaderi, 2025-07-01 The Path to Enlightenment offers a thoughtful interpretation of Patanjali's Yoga Sūtras bridging ancient wisdom with the psychological and spiritual needs of contemporary readers. Drawing on over two decades of study including comparative research on early translations such as al-Biruni's Arabic rendition, the book explores key themes such as suffering, the self, fluctuations of consciousness, and the pursuit of inner freedom. Rather than providing rigid answers, the book encourages reflection and invites readers to engage with the Sūtras as a living tradition. Ghaderi presents a respectful, accessible translation of the Sanskrit verses and highlights their relevance to modern schools of thought. In his foreword, Dr. David Frawley writes: Ghaderi offers a rare and valuable bridge between India's yogic traditions and the mystical heritage of Iran and the Middle East. His work helps renew the global dialogue on experiential spirituality.
