patterns many find themselves in today's society. Whether from extremely short-termed thus unrealistic expectations or general victim thinking many people, particularly professionals, consider past experiences that don't lead to immediate and tangible benefits as a waste of time. They forego long-span self-reflection to acknowledge their progress in life. This book uses mindful practices to shift these negative thought patterns into constructive ones that reveal personal purpose and growth and thus positive self-leadership and development. Featuring practices and exercises to support the GAIN model, this book will help readers see every life experience as a gain rather than loss, even if it may take some time to see the benefits from it, if at all.

**Imagine Living Life Well with Perspective & Perseverance**  
Maureen Whitaker, 2023-03-28 Imagine Living Life Well with Perspective Perseverance Book Three of Book Series Volume V From Great Times to Facing Dragons Persevering Anna has a dream which they hope is not a prophecy. It is Walk on the Wild Side. It reveals something to them and they meet with their doctor friends. They begin seminars through organizations. One event has an incident which lands Liam, Anna, Mike, and Dave in an extreme Life Challenge. They use The Seal's for Healing and Protection. They hold their moral and social Code of Honor in the highest esteem. They faced double-edged situations and proceed to Choose Wisely in Speaking their Truths. They live life how they believe and Walk Their Talk. One of the single most important and vital aspects of the human condition living on this Earth is our Ability to Effectively Communicate with all other human beings without prejudice and with tolerance to foster a rapport with others and share knowledge, history, information, and truths. Liam said emphatically, "If ever I felt there were others who I likened to The Four Musketeers, One for All and All for One, it is the four of us. We each battle for each other to the benefit of the whole. Not many friends can do this as well as we four." It is totally awesome. Mike retires from the military and it is quite an event with a formal dinner and a dance. A Code of Honor is provided. The idea of listening to one's Inner Whisperings is discussed. In a wooded forest, something is found and this is quite an important event. The four plan and set dates to go on a road trip in our lovely motorcoach a week after school began. Now on to Book Four, the first half of Volume VI.
