Walsh, 2007 This objective exploration of shamanism and its place in contemporary life leaves no stone unturned as Dr Walsh examines shamanistic traditions throughout history and how they intersect with modern psychology and metaphysical studies Things to Remember Peter Parr, We were created in the image of God and it is through us that God's Love is expressed in the world Our function and our joy is to let Love flow freely through us We do this by following leadings and releasing the blocks fear guilt judgment that stand in Love's way In a series of reflections this book explores how we can begin to love our neighbour as our self **Grief** Jeanette Shewchuk, 2019-11-14 Will we see our loved ones again Do they see or hear us Who are we and why are we here Is there a purpose to this world so full of sickness fear hate and guilt How do we get off the birth and death cycle How will the world end Will that be the end of us Synchronicity Spirit Visitations and Communications an NDE Repetitive and Lucid Dreams Voices in the Night and Out of Body Travel all contributed to the journey Many books read and reread repeatedly redirected back to the one book providing the ultimate Spirit Communication A Course In Miracles Grief A Spiritual Journey to Enlightenment will take you on a personal journey of healing self discovery clarity enlightenment transformation and guidance onto a direct path Home Jeanette described her grief as My chest being ripped open by a pack of hungry wolves insidiously relentlessly gnawing and shredding my heart The seemingly orchestrated circumstances and timing of my husband's death culminated with the realization that it was the greatest gift of Love to my Soul **Angels and Demons** Peter G. Riddell, Beverly Smith Riddell, 2007 Spirit beings are fascinating They can be wicked good of dual nature or non existent They announce accompany heal injure sway charm fight tempt and judge They can bring us closer to or distract us from God In this volume the particular focus is on how angelic and demonic concepts are overtly expressed or are more obliquely reflected in different religions Specific themes covered include spiritual warfare spirit beings and the origin of evil angelic and demonic roles human suffering and spiritual powers use of talismans sacred texts and the practical outworking of beliefs The contributors all Christian scholars mostly write as detached observers of the religious traditions they are describing Nevertheless they do not shy away from taking a stand on controversial issues Here you will find a great diversity of thought some striking thematic similarities and a fascinating view of worlds far removed from our usual experience The

A Course in Miracles - Explanations of Major Themes Michael Dawson, 2017-05-05 A Course in Miracles can be difficult to understand on first reading as it is written on quite a high intellectual level It can help to read some introductory material alongside a study of the Course This series of articles and diagrams is presented with that in mind This eBook begins with some brief introductory material covering how A Course in Miracles came what it is and a summary with charts It is followed by a collection of 33 articles and diagrams I have written over recent years they explore many of the themes found in the Course including the metaphysical and practical teachings At the end of this book you will find two bonus chapters Healing Ourselves and The Ladder of Forgiveness excerpts from two of my other books Healing the Cause and The Findhorn Book of Forgiveness A Course in Miracles has been the inspiration for this book What I have written is my own interpretation of some of the principles in the Course and as such it cannot match the depth and purity of the original teaching If you find my writings of interest I would encourage you to study the Course's teaching for which there can be no substitute

Healing the Cause - A Path of Forgiveness - Inspired by a Course in Miracles Michael Dawson, 2011-04-19 Health is inner peace Healing involves an understanding of what the illusion of sickness is for Healing is impossible without this From A Course in Miracles Identification with the body as our home is the origin of all our physical and psychological suffering Whilst we desire to remain separate from our true spiritual identity we create sickness to reinforce our belief in the reality of the body To re-experience God's love joy and peace we need to begin the process of forgiving ourselves and others This will allow the presence of spirit to enter into our mind and heal it The cause of all disease lies in the mind and not the body Disease is a shadow on the body of the guilt in our mind As we practise forgiveness the truth of who we really are will dawn upon our minds and we will discover our true home which we never left Michael Dawson's inspiration for writing this book comes from his study and teaching of A Course in Miracles Healing the Cause can be read as an introduction to A Course in Miracles especially with regard to its teachings on sickness healing
