**Path to Freedom; Christian Experiences and the Bible** Jean Corbon, 1969      **Letter and Spirit** Scott Hahn, Dave Scott, 2006 Letter Spirit is a journal of Catholic biblical theology for the new millennium It seeks to foster deeper understanding of sacred Scripture and the divine liturgy of the Church This second volume of the journal The Authority of Mystery The Word of God and the People of God is inspired by the scholarship of Pope Benedict XVI especially Benedict's concerns about the relation of the Bible to faith in Christ The editors write in their introduction As we write in our introduction How to read the Bible is at bottom a question about the identity of Jesus Is he Jesus of Nazareth only or is he also the Christ the Son of the living God Did he have a divine mission to reveal the mystery of God or was he only a man like others Does he remain among us in sacrament and liturgy Letter Spirit is published annually by the St Paul Center for Biblical Theology a nonprofit research and educational institute founded by Dr Scott Hahn The journal is published in association with Emmaus Road Publishing      **The Incomparable God** Brent A. Strawn, 2023-05-30 My Lord There is no one like you among the gods Attempting to describe the nature of God often prompts the exclamation of the psalmist that God is unlike anyone or anything else And yet the claim is not simply the overflow of an adoring heart God's incomparability is a truth lodged deep within Christian Scripture In The Incomparable God Old Testament scholar Brent Strawn offers thoughtful insight into this theological mystery This volume collects eighteen of Strawn's most provocative essays on the nature of God several of which are published for the first time here Strawn covers the following topics the complex portrayal of God in Genesis God's mercy in Exodus poetic description of God in the Psalms the Trinity in both testaments pedagogy of the Old Testament integration of faith and scholarship Encompassing close readings of Scripture biblical theological argument and considerations of praxis The Incomparable God is essential reading for Old Testament scholars and students      **New Testament Theology** Paul Haffner, 2008-06 This work is primarily written as a class manual for those who wish to deepen their understanding of and love for the New Testament It is of course no substitute for reading the Biblical text itself which is the first and foremost task of the student This book is simply a companion to guide the reader of the New Testament on his or her pilgrimage It furnishes a few key signposts in terms of the basic ideas of how the biblical text came about its objective value and special character and inspiration the Synoptic Problem and the Canon of the New Testament Some tools for interpretation are offered and then some basic themes are treated in particular the Church the Holy Eucharist Mary the Mother of God the role of the Apostles Peter and Paul and the interplay between faith and reason in the New Testament Paul Haffner a priest of the diocese of Portsmouth England obtained his first degree in physics at Oxford University He went on to philosophical and theological studies in Rome and received his doctorate from the Pontifical Gregorian University At present he is professor of systematic and dogmatic theology in Rome at Regina Apostolorum University invited lecturer at the Pontifical Gregorian University and at Duquesne University Italian campus His publications number more than 20 books and
