examinations ever undertaken of an American president It is the magnum opus of a writer perfectly suited to his task the Pulitzer Prize winning biographer historian chronicler also of Robert Moses in *The Power Broker* whose inspired research and profound understanding of the nature of ambition and the dynamics of power have made him a peerless explicator of political lives Taken together the installments of Mr Caro's monumental life of Johnson form a revealing prism by which to view the better part of a century in American life and politics during which the country experienced tumultuous and divisive social change Gripping Michiko Kakutani *The New York Times* By writing the best presidential biography the country has ever seen Caro has forever changed the way we think and read American history It's his immense talent as a writer that has made his biography of Johnson one of America's most amazing literary achievements As absorbing as a political thriller A masterpiece unlike any other work of American history published in the past It's true that there will never be another Lyndon B Johnson but there will never be another Robert A Caro either NPR One of the truly great political biographies of the modern age A masterpiece *The Times* London *The Path to Power* reveals the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's political genius it follows him from his Texas boyhood through the years of the Depression in the Texas Hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered National Book Critics Circle Award in Nonfiction *Means of Ascent* follows Johnson through his service in World War II to the foundation of his long concealed fortune and the facts behind the myth he created about it The explosive heart of the book is Caro's revelation of the true story of the fiercely contested 1948 senatorial election which Johnson had to win or face certain political death and which he did win by 87 votes that changed history Caro makes us witness to a momentous turning point in American politics the tragic last stand of the old politics versus the new the politics of issue versus the politics of image mass manipulation money and electronic dazzle National Book Critics Circle Award in Biography *Master of the Senate* carries Johnson's story through his twelve remarkable years in the Senate It is an unprecedented revelation of how legislative power works in America how the Senate works and how Johnson in his ascent to the presidency mastered the Senate as no political leader before him had ever done In a breathtaking tour de force Caro details Johnson's amazing triumph in maneuvering to passage the first civil rights legislation since 1875 Pulitzer Prize in Biography Los Angeles Times Book Award in Biography National Book Award in Nonfiction *The Passage of Power* is an unparalleled account of the battle between Johnson and John Kennedy for the 1960 presidential nomination of the machinations behind Kennedy's decision to offer Johnson the vice presidency of Johnson's powerlessness and humiliation in that role and of the savage animosity between Johnson and Robert Kennedy In Caro's description of the Kennedy assassination which *The New York Times* called the most riveting ever we see the events of November 22 1963 for the first time through Lyndon Johnson's eyes And we watch as his political genius enables him to grasp the reins of the presidency

with total command and within weeks make it wholly his own surmounting unprecedented obstacles in order to fulfill the highest purpose of the office National Book Critics Circle Award in Biography Brilliant Important Remarkable In sparkling detail Caro shows Johnson's genius for getting to people friends foes and everyone in between and how he used it to achieve his goals With this fascinating and meticulous account Robert Caro has once again done America a great service President Bill Clinton The New York Times Book Review front cover The politicians political book of choice An encyclopedia of dirty tricks that would make Machiavelli seem naïve London Literary Review Making ordinary politics and policymaking riveting and revealing is what makes Caro a genius Combined with his penetrating insight and fanatical research Caro's Churchill like prose elevates the life of a fairly influential president to stuff worthy of Shakespeare Robert Caro stands alone as the unquestioned master of the contemporary American political biography The Boston Globe *Master of the Senate* Robert A. Caro, 2002-04-23 Master of the Senate Book Three of The Years of Lyndon Johnson carries Johnson's story through one of its most remarkable periods his twelve years from 1949 to 1960 in the United States Senate A Los Angeles Times Best Nonfiction Book of the Last 30 Years At the heart of the book is its unprecedented revelation of how legislative power works in America how the Senate works and how Johnson in his ascent to the presidency mastered the Senate as no political leader before him had ever done It was during these years that all Johnson's experience from his Texas Hill Country boyhood to his passionate representation in Congress of his hardscrabble constituents to his tireless construction of a political machine came to fruition Caro introduces the story with a dramatic account of the Senate itself how Daniel Webster Henry Clay and John C Calhoun had made it the center of governmental energy the forum in which the great issues of the country were thrashed out And how by the time Johnson arrived it had dwindled into a body that merely responded to executive initiatives all but impervious to the forces of change Caro anatomizes the genius for political strategy and tactics by which in an institution that had made the seniority system all powerful for a century and more Johnson became Majority Leader after only a single term the youngest and greatest Senate Leader in our history how he manipulated the Senate's hallowed rules and customs and the weaknesses and strengths of his colleagues to change the unchangeable Senate from a loose confederation of sovereign senators to a whirring legislative machine under his own iron-fisted control Caro demonstrates how Johnson's political genius enabled him to reconcile the unreconcilable to retain the support of the southerners who controlled the Senate while earning the trust or at least the cooperation of the liberals led by Paul Douglas and Hubert Humphrey without whom he could not achieve his goal of winning the presidency He shows the dark side of Johnson's ambition how he proved his loyalty to the great oil barons who had financed his rise to power by ruthlessly destroying the career of the New Dealer who was in charge of regulating them Federal Power Commission Chairman Leland Olds And we watch him achieve the impossible convincing southerners that although he was firmly in their camp as the anointed successor to their leader Richard Russell it was essential that they allow him to make some progress toward civil rights In a breathtaking tour de force

Caro details Johnson's amazing triumph in maneuvering to passage the first civil rights legislation since 1875. Master of the Senate told with an abundance of rich detail that could only have come from Caro's peerless research is both a galvanizing portrait of the man himself the titan of Capital Hill volcanic mesmerizing and a definitive and revelatory study of the workings and personal and legislative power. Means of Ascent Robert A. Caro, 2011-11-23 In Means of Ascent Book Two of The Years of Lyndon Johnson Robert A. Caro brings alive Lyndon Johnson in his wilderness years. Here Johnson's almost mythic personality part genius part behemoth at once hotly emotional and icily calculating is seen at its most nakedly ambitious. This multifaceted book carries the President to be from the aftermath of his devastating defeat in his 1941 campaign for the Senate the despair it engendered in him and the grueling test of his spirit that followed as political doors slammed shut through his service in World War II and his artful embellishment of his record to the foundation of his fortune and the actual facts behind the myth he created about it. The culminating drama the explosive heart of the book is Caro's illumination based on extraordinarily detailed investigation of one of the great political mysteries of the century. Having immersed himself in Johnson's life and world Caro is able to reveal the true story of the fiercely contested 1948 senatorial election for years shrouded in rumor which Johnson was not believed capable of winning which he had to win or face certain political death and which he did win by 87 votes the 87 votes that changed history. Telling that epic story in riveting and eye opening detail Caro returns to the American consciousness a magnificent lost hero. He focuses closely not only on Johnson whom we see harnessing every last particle of his strategic brilliance and energy but on Johnson's unbeatable opponent the beloved former Texas Governor Coke Stevenson who embodied in his own life the myth of the cowboy knight and was himself a legend for his unfaltering integrity. And ultimately as the political duel between the two men quickens carrying with it all the confrontational and moral drama of the perfect Western Caro makes us witness to a momentous turning point in American politics the tragic last stand of the old politics versus the new the politics of issue versus the politics of image mass manipulation money and electronic dazzle. **The Years of Lyndon Johnson: The path to power** Robert A. Caro's monumental The Years of Lyndon Johnson displays all the narrative energy and illuminating insight that led the Times of London to acclaim it as one of the truly great political biographies of the modern age. A masterpiece. The Passage of Power follows Lyndon Johnson through both the most frustrating and the most triumphant

periods of his career 1958 to 1964 It is a time that would see him trade the extraordinary power he had created for himself as Senate Majority Leader for what became the wretched powerlessness of a Vice President in an administration that disdained and distrusted him Yet it was as well the time in which the presidency the goal he had always pursued would be thrust upon him in the moment it took an assassin's bullet to reach its mark By 1958 as Johnson began to maneuver for the presidency he was known as one of the most brilliant politicians of his time the greatest Senate Leader in our history But the 1960 nomination would go to the young senator from Massachusetts John F Kennedy Caro gives us an unparalleled account of the machinations behind both the nomination and Kennedy's decision to offer Johnson the vice presidency revealing the extent of Robert Kennedy's efforts to force Johnson off the ticket With the consummate skill of a master storyteller he exposes the savage animosity between Johnson and Kennedy's younger brother portraying one of America's great political feuds Yet Robert Kennedy's overt contempt for Johnson was only part of the burden of humiliation and isolation he bore as Vice President With a singular understanding of Johnson's heart and mind Caro describes what it was like for this mighty politician to find himself altogether powerless in a world in which power is the crucial commodity For the first time in Caro's breathtakingly vivid narrative we see the Kennedy assassination through Lyndon Johnson's eyes We watch Johnson step into the presidency inheriting a staff fiercely loyal to his slain predecessor a Congress determined to retain its power over the executive branch and a nation in shock and mourning We see how within weeks grasping the reins of the presidency with supreme mastery he propels through Congress essential legislation that at the time of Kennedy's death seemed hopelessly logjammed and seizes on a dormant Kennedy program to create the revolutionary War on Poverty Caro makes clear how the political genius with which Johnson had ruled the Senate now enabled him to make the presidency wholly his own This was without doubt Johnson's finest hour before his aspirations and accomplishments were overshadowed and eroded by the trap of Vietnam In its exploration of this pivotal period in Johnson's life and in the life of the nation *The Passage of Power* is not only the story of how he surmounted unprecedented obstacles in order to fulfill the highest purpose of the presidency but is as well a revelation of both the pragmatic potential in the presidency and what can be accomplished when the chief executive has the vision and determination to move beyond the pragmatic and initiate programs designed to transform a nation It is an epic story told with a depth of detail possible only through the peerless research that forms the foundation of Robert Caro's work confirming Nicholas von Hoffman's verdict that Caro has changed the art of political biography

Master of the Senate Robert A. best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be. We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades. We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates. We see him carrying out before his thirtieth year his first great political inspiration, tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power. We follow close up the radical fluctuations of his relationships with the formidable Mr. Sam Rayburn who loved him like a son and whom he betrayed and with FDR himself. And we follow the dramas of his emotional life, the intensities and complications of his relationships with his family, his contemporaries, his girls, his wooing and winning of the shy Lady Bird, his secret love affair over many years with the mistress of one of his most ardent and generous supporters, Johnson driving his people to the point of exhausted tears, equally merciless with himself, Johnson bullying, cajoling, lying yet inspiring an amazing loyalty, Johnson maneuvering to dethrone the unassailable old Jack Garner, then Vice President of the United States as the New Deal's connection in Texas and seize the power himself, Johnson raging, Johnson hugging, Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines. We see him at once unscrupulous, admirable, treacherous, devoted. And we see the country that bred him, the harshness and nauseating loneliness of the rural life, the tragic panorama of the Depression, the sudden glow of hope at the dawn of the Age of Roosevelt, and always in the foreground on the move, LBJ. Here is Lyndon Johnson, his Texas, his Washington, his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process.

The Years of Lyndon Johnson Robert A. Caro, 1982. Chronicling the startling early emergence of Johnson's political genius, it follows him from his Texas boyhood through the years of the Depression in the Texas Hill country to his congressional debut.

Caro, 1982 **The Path to Power** Robert A. Caro, 1982-11-12 The Years of Lyndon Johnson is the political biography of our time No president no era of American politics has been so intensively and sharply examined at a time when so many prime witnesses to hitherto untold or misinterpreted facets of a life a career and a period of history could still be persuaded to speak The Path to Power Book One reveals in extraordinary detail the genesis of the almost superhuman drive energy and urge to power that set LBJ apart Chronicling the startling early emergence of Johnson's

political genius it follows him from his Texas boyhood through the years of the Depression in the Texas hill Country to the triumph of his congressional debut in New Deal Washington to his heartbreaking defeat in his first race for the Senate and his attainment nonetheless of the national power for which he hungered We see in him from earliest childhood a fierce unquenchable necessity to be first to win to dominate coupled with a limitless capacity for hard unceasing labor in the service of his own ambition Caro shows us the big gangling awkward young Lyndon raised in one of the country's most desperately poor and isolated areas his education mediocre at best his pride stung by his father's slide into failure and financial ruin lunging for success moving inexorably toward that ultimate impossible goal that he sets for himself years before any friend or enemy suspects what it may be We watch him while still at college instinctively and ruthlessly creating the beginnings of the political machine that was to serve him for three decades We see him employing his extraordinary ability to mesmerize and manipulate powerful older men to mesmerize and sometimes almost enslave useful subordinates We see him carrying out before his thirtieth year his first great political inspiration tapping and becoming the political conduit for the money and influence of the new oil men and contractors who were to grow with him to immense power We follow close up the radical fluctuations of his relationships with the formidable Mr Sam Rayburn who loved him like a son and whom he betrayed and with FDR himself And we follow the dramas of his emotional life the intensities and complications of his relationships with his family his contemporaries his girls his wooing and winning of the shy Lady Bird his secret love affair over many years with the mistress of one of his most ardent and generous supporters Johnson driving his people to the point of exhausted tears equally merciless with himself Johnson bullying cajoling lying yet inspiring an amazing loyalty Johnson maneuvering to dethrone the unassailable old Jack Garner then Vice President of the United States as the New Deal's connection in Texas and seize the power himself Johnson raging Johnson hugging Johnson bringing light and indeed life to the worn Hill Country farmers and their old at thirty wives via the district's first electric lines We see him at once unscrupulous admirable treacherous devoted And we see the country that bred him the harshness and nauseating loneliness of the rural life the tragic panorama of the Depression the sudden glow of hope at the dawn of the Age of Roosevelt And always in the foreground on the move LBJ Here is Lyndon Johnson his Texas his Washington his America in a book that brings us as close as we have ever been to a true perception of political genius and the American political process
