Rogue State William C. Triplett, II,2004-02-14 Here is stunning documentation that North Korea is not the crazy unpredictable terrorist state of myth but in fact the terrorist branch of the People s Republic of China **Arctic Gambit** Larry Bond,2018-05-29 Jerry Mitchell returns in Arctic Gambit an explosive military thriller by New York Times bestselling author Larry Bond Jerry Mitchell now the commodore of submarine Development Squadron Five is dismayed when USS Toledo is reported missing in Arctic waters close to Russian territory The vessel is captained by his former shipmate and close friend Lenny Berg Eager to investigate Jerry convinces the Navy to redirect one of his squadron s boats to find out what happened It turns out Toledo was sunk just outside of Russian territorial waters by a torpedo launched from a naval mine Even more disturbing is the discovery that Russia is building a deadly weapon Engineers have modified the STATUS 6 a strategic nuclear propelled nuclear armed torpedo that is already operational into a stealthy first strike weapon Drakon This new tool would allow the Russians to launch a completely covert nuclear decapitation strike on the USA The new Russian

president has plans for Europe and is more than willing to use nuclear blackmail or an actual attack to keep the Americans from interfering To avoid a Russian war in Europe and a nuclear catastrophe at home Mitchell must find a way to destroy the Drakon launcher before it s too late At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Shattered Trident* Larry Bond,2013-05-07 Witnessing a torpedo attack on a Vietnamese merchant ship by a Chinese nuclear sub USS North Dakota captain Jerry Mitchell helps to forge a tenuous new alliance with Western Pacific nations in a covert submarine campaign aimed at crippling China s economy and preventing a full scale war **The Devil Sovereign** Mo Zun,2020-03-26 This was a mysterious continent It was a completely different continent from Hua Xia The Buddha of the West the demons and demons from the Oasis of Hanhai and the cultivators of Hanzhou The several factions were originally living in harmony with each other but all of this was broken by a person called Beacon Zhang Yan Han Feng who crossed over from China possessed Beacon Zhang Yan and also received the inheritance of the ancient cultivation technique Would he be able to make a name for himself on this continent Let everyone know that the sigil of the beacon was Han Feng and that the Han Feng was the sigil of the beacon **Trading with the Enemy** Hugo Meijer,2016 In light of the intertwining logics of military competition and economic interdependence at play in US China relations *Trading with the Enemy* examines how the United States has balanced its potentially conflicting national security and economic interests in its relationship with the People s Republic of China PRC To do so Hugo Meijer investigates a strategically sensitive yet under explored facet of US China relations the making of American export control policy on military related technology transfers to China since 1979 *Trading with the Enemy* is the first monograph on this dimension of the US China relationship in the post Cold War Based on 199 interviews declassified documents and diplomatic cables leaked by Wikileaks two major findings emerge from this book First the US is no longer able to apply a strategy of military technology containment of China in the same way it did with the Soviet Union during the Cold War This is because of the erosion of its capacity to restrict the transfer of military related technology to the PRC Secondly a growing number of actors in Washington have reassessed the nexus between national security and economic interests at stake in the US China relationship by moving beyond the Cold War trade off between the two in order to maintain American military preeminence vis vis its strategic rivals By focusing on how states manage the heterogeneous and potentially competing security and economic interests at stake in a bilateral relationship this book seeks to shed light on the evolving character of interstate rivalry in a globalized economy where rivals in the military realm are also economically interdependent
