

A large-scale construction project is shown against a dramatic, cloudy sky. On the left, a tall building's concrete frame is visible, featuring a grid of columns and open rectangular window or door openings. In the center, a yellow tower crane stands prominently, its lattice boom extending upwards. To its right, a blue crane is also visible. In the foreground, a large, dark, rectangular object, possibly a piece of heavy machinery or a container, sits on a flat, brownish ground. To the right of this object, a white truck is parked, and a green forklift is visible further back. The background shows more of the building's structure and other construction elements, all under a sky with large, white, fluffy clouds.
