Langford,2016-05-04 When Harlee met Jake she knew life would be different She had someone who loved her even with the crazy schedule and the tour stops She'd been left with one of the biggest decisions she'd ever have to make When she finally made it it meant she might just lose him altogether Schedules were always going to conflict but she thought it would've been easier Jake knew being with someone who was constantly on the road meant a lot of time alone and he expected it What he never expected was missing her so much the minute she had left Would he be able to stand being alone for months while she toured the country He thought diving into a new job would help but he only missed her more Grace thought she had it all She married the perfect guy and ended up having to make the hardest decision she'd ever made Watching Jake and Harlee was enough to make her see what she wanted but would the choice she made ruin any chance at being happy Mistakes are made lessons learned and heartache suffered but would the choice they made get them through it all A story of love on the road to happiness **Contest for the Brave** Daphne Matthews,2024-11-12 A girl who has no knowledge of her origin and is
