Lost In Space Probing Feminist Science Fiction And Beyond:

Lost in Space Marleen S. Barr, 1993 Lost in Space Probing Feminist Science Fiction and Beyond Lost in Space Marleen S. Barr, 2017-11-01 Archaeologists and anthropologists discover other civilizations science fiction writers invent them In this collection of her major essays Marleen Barr argues that feminist science fiction writers contribute to postmodern literary canons with radical alternatives to mainstream patriarchal society Because feminist science fiction challenges male centered social imperatives it has been marginalized and dismissed from the canon thus lost in space Moving beyond feminist science fiction itself Barr goes on to examine other literary genres from the perspective of feminist fabulation a term she has coined to encompass science fiction fantasy utopian literature and mainstream literature that critiques patriarchal fictions Discussing the works of such writers as Margaret Atwood Joanna Russ Salman Rushdie Paul Theroux Ursula Le Guin Herman Melville Saul Bellow Edgar Allan Poe and Marge Piercy Barr illuminates feminist science fiction's connections to other literary traditions and contemporary canons Her critical analysis yields a new and expanded understanding of feminist creativity Cyberpunk Women, Feminism and Science Fiction Carlen Lavigne, 2013-01-30 This analysis of cyberpunk science fiction written between 1981 and 2003 positions women's cyberpunk in the larger cultural discussion of feminist issues It traces the origins of the genre reviews the critical reactions and outlines the ways in which women's cyberpunk advances points of view that are specifically feminist Novels are examined within their cultural contexts their content is compared to broader controversies within contemporary feminism and their themes are revealed as reflections of feminist discourse around the turn of the 21st century Chapters cover topics such as globalization virtual reality cyborg culture environmentalism religion motherhood and queer rights Interviews with feminist cyberpunk authors are provided revealing both their motivations for writing and their experiences with fans The study treats feminist cyberpunk as a unique vehicle for examining contemporary women's issues and analyzes feminist science fiction as a complex source of political ideas Business Research Methods Brett Jackson, 2019-08-17 A total prologue to working together research Business Research Methods is the perfect guide for understudies setting out on an exploration venture Together with genuine understudies and administrators the writers draw without anyone else broad experience to give perusers tips for progress and give guidance to enable them to stay away from regular errors Grown particularly in view of business and administration understudies this smash hit course reading investigates the nature and reason for business examine and the issues it involves while additionally giving understudies functional exhortation on doing their exploration Notwithstanding an expansive scope of pertinent contextual analyses the book includes a generous exchange of morals a section on web inquire about strategies and a solid accentuation on viable substance for example arranging a venture and composing it up With another part on the idea of business look into that clarifies why a comprehension of research techniques is so essential to the more extensive investigation of business and administration and another section on inspecting in subjective research

Business Research Methods remains the book of decision to enable you to construct a full comprehension of the subject

Blast, Corrupt, Dismantle, Erase Brett Josef Grubisic, Gisèle M. Baxter, Tara Lee, 2014-06-16 What do literary dystopias reflect about the times In Blast Corrupt Dismantle Erase contributors address this amorphous but pervasive genre using diverse critical methodologies to examine how North America is conveyed or portrayed in a perceived age of crisis accelerated uncertainty and political volatility Drawing from contemporary novels such as Cormac McCarthy's The Road Neil Gaiman's American Gods and the work of Margaret Atwood and William Gibson to name a few this book examines dystopian literature produced by North American authors between the signing of NAFTA 1994 and the tenth anniversary of 9 11 2001 As the texts illustrate awareness of and deep concern about perceived vulnerabilities ends of water oil food capitalism empires stable climates ways of life non human species and entire human civilizations have become central to public discourse over the same period By asking questions such as What are the distinctive qualities of post NAFTA North American dystopian literature and What does this literature reflect about the tensions and contradictions of the inchoate continental community of North America Blast Corrupt Dismantle Erase serves to resituate dystopian writing within a particular geo social setting and introduce a productive means to understand both North American dystopian writing and its relevant engagements with a restricted mapped reality
