Preaching on Wax Lerone A Martin, 2014-11-14 The overlooked African American religious history of the phonograph industry Winner of the 2015 Frank S and Elizabeth D Brewer Prize for outstanding scholarship in church history by a first time author presented by the American Society of Church History Certificate of Merit 2015 Award for Excellence in Historical Recorded Sound Research presented by the Association for Recorded Sound Collections From 1925 to 1941 approximately one hundred African American clergymen teamed up with leading record

labels such as Columbia Paramount Victor RCA to record and sell their sermons on wax While white clerics of the era such as Aimee Semple McPherson and Charles Fuller became religious entrepreneurs and celebrities through their pioneering use of radio black clergy were largely marginalized from radio Instead they relied on other means to get their message out teaming up with corporate titans of the phonograph industry to package and distribute their old time gospel messages across the country Their nationally marketed folk sermons received an enthusiastic welcome by consumers at times even outselling top billing jazz and blues artists such as Bessie Smith and Ma Rainey These phonograph preachers significantly shaped the development of black religion during the interwar period playing a crucial role in establishing the contemporary religious practices of commodification broadcasting and celebrity Yet the fame and reach of these nationwide media ministries came at a price as phonograph preachers became subject to the principles of corporate America In *Preaching on Wax* Lerone A Martin offers the first full length account of the oft overlooked religious history of the phonograph industry He explains why a critical mass of African American ministers teamed up with the major phonograph labels of the day how and why black consumers eagerly purchased their religious records and how this phonograph religion significantly contributed to the shaping of modern African American Christianity Instructor s Guide [Swing Along](#) Marva Carter, 2008-09-11 Renowned today as a prominent African American in Music Theater and the Arts community composer conductor and violinist Will Marion Cook was a key figure in the development of American music from the 1890s to the 1920s In this insightful biography Marva Griffin Carter offers the first definitive look at this pivotal life s story drawing on both Cook s unfinished autobiography and his wife Abbie s memoir A violin virtuoso Cook studied at Oberlin College his parents alma mater Berlin s Hochschule f r Musik with Joseph Joachim and New York s national Conservatory of Music with Antonin Dvorak Cook wrote music for a now lost production of *Uncle Tom s Cabin* for the Chicago World s Fair of 1893 and then devoted the majority of his career to black musical comedies due to limited opportunities available to him as a black composer He was instrumental in showcasing his Southern Syncopated Orchestra in the prominent concert halls of the United States and Europe even featuring New Orleans clarinetist Sidney Bechet who later introduced European audiences to authentic blues Once mentored by Frederick Douglass Will Marion Cook went on to mentor Duke Ellington paving the path for orchestral concert jazz Through interpretive and musical analyses Carter traces Cook s successful evolution from minstrelsy to musical theater Written with his collaborator the distinguished poet Paul Lawrence Dunbar Cook s musicals infused American Musical Theater with African American music consequently altering the direction of American popular music Cook s *In Dahomey* hailed by Gerald Bordman as one of the most important events in American Musical Theater history was the first full length Broadway musical to be written and performed by blacks Alongside his accomplishments Carter reveals Cook s contentious side a man known for his aggressiveness pride and constant quarrels who became his own worst enemy in regards to his career Carter further sets Cook s life against the backdrop of the changing cultural and social milieu the black theatrical

tradition white audiences reaction to black performers and the growing consciousness and sophistication of blacks in the arts especially music *The School of Arizona Dranes* Timothy Dodge,2013-09-12 Arizona Dranes 1889 1963 was a true musical innovator whose recordings made for the Okeh label during the years 1926 1928 helped lay the foundations for what would soon be known as gospel music Her unique blend of ragtime barrelhouse and boogie woogie piano plus her exciting and emotional Pentecostal style of singing influenced the development of gospel music for the next forty years and beyond The School of Arizona Dranes Gospel Music Pioneer covers the life and career of Dranes and situates her accomplishments in the broader history of African American gospel music and the rise of the Pentecostal movement Starting with the earliest recordings of the music in the late nineteenth century this book provides a history of African American sacred and gospel music that convincingly demonstrates the revolutionary nature of Dranes s musical accomplishment Using specific examples the author traces the far reaching influence of Arizona Dranes on African American gospel piano playing and singing

Blacksound Matthew D. Morrison,2024-03-05 No book from this past year better explains American popular music than professor Matthew Morrison s *Blacksound* A Rolling Stone Best Music Book of 2024 A new concept for understanding the history of the American popular music industry *Blacksound* explores the sonic history of blackface minstrelsy and the racial foundations of American musical culture from the early 1800s through the turn of the twentieth century With this namesake book Matthew D Morrison develops the concept of *Blacksound* to uncover how the popular music industry and popular entertainment in general in the United States arose out of slavery and blackface *Blacksound* as an idea is not the music or sounds produced by Black Americans but instead the material and fleeting remnants of their sounds and performances that have been co opted and amalgamated into popular music Morrison unpacks the relationship between performance racial identity and intellectual property to reveal how blackface minstrelsy scripts became absorbed into commercial entertainment through an unequal system of intellectual property and copyright laws By introducing this foundational new concept in musicology *Blacksound* highlights what is politically at stake for creators and audiences alike in revisiting the long history of American popular music **Wind Band Activity In and Around New York ca. 1830-1950** Frank J. Cipolla,Donald

Hunsberger, The rich history and tradition of the American wind band was heavily influenced by the influx of immigrants into the New York area during the 19th and 20th centuries With their varied cultural backgrounds building upon their diverse musical experiences and a wide variety of instruments and ensemble instrumentation the seeds for the contemporary American wind band were planted The story of the American wind band is revealed in this diverse collection of essays Fascinating reading for band scholars everywhere **The Race of Sound** Nina Sun Eidsheim,2019-01-11 Examining singers Marian Anderson Billie Holiday and Jimmy Scott as well as vocal synthesis technology Nina Sun Eidsheim traces the ways in which the voice and its qualities are socially produced and how listeners assign a series of racialized and gendered set of assumptions to a singing voice **Sounds as They Are** Richard Beaudoin,2023-12-22 In *Sounds as They Are* author

Richard Beaudoin recognizes the often overlooked sounds made by the bodies of performers and their recording equipment as music and analyzes these sounds using a bold new theory of inclusive track analysis ITA In doing so he demonstrates new expressive interpretive and embodied possibilities and also uncovers insidious inequalities across music studies and the recording industry including the silencing of certain sounds along lines of gender and race **African American History Day by Day** Karen Juanita Carrillo,2012-08-22 The proof of any group s importance to history is in the detail a fact made plain by this informative book s day by day documentation of the impact of African Americans on life in the United States One of the easiest ways to grasp any aspect of history is to look at it as a continuum African American History Day by Day A Reference Guide to Events provides just such an opportunity Organized in the form of a calendar this book allows readers to see the dates of famous births deaths and events that have affected the lives of African Americans and by extension of America as a whole Each day features an entry with information about an important event that occurred on that date Background on the highlighted event is provided along with a link to at least one primary source document and references to books and websites that can provide more information While there are other calendars of African American history this one is set apart by its level of academic detail It is not only a calendar but also an easy to use reference and learning tool
