The Alternative Sherlock Holmes Peter Ridgway Watt, Joseph Green, 2017-03-02 Between 1887 and 1927 Sir Arthur Conan Doyle wrote sixty Sherlock Holmes stories and his great Canon has become the most praised most studied and best known chapter in the history of detective fiction Over twenty thousand publications pertaining to the Sherlock Holmes phenomenon are known to have been published most of them historical and critical studies In addition however almost since the first stories appeared such was their uniqueness and extraordinary attraction that other authors began writing stories based on or derived from them A new genre had appeared pastiches parodies burlesques and stories that attempted to copy or rival the great detective himself As the field widened there was hardly a year in the twentieth century in which new short stories or novels did not appear Many hundreds are now known to have been published some of them written by authors well

known for their work in other literary fields The non canonical Sherlock Holmes literature not only constitutes a literary field of considerable historical interest but includes many stories that are both enjoyable and fascinating in their own right Although a large bibliography on these stories exists and a few limited anthologies have been published no attempt has previously been made to collect them all and discuss them comprehensively The Alternative Sherlock Holmes does so it provides a new and valuable approach to the Sherlock Holmes literature as well as making available many works that have for years remained forgotten Presented as an entertaining narrative of interest to both the aficionado and the scholar it provides full bibliographic data on virtually all the known stories in the field

contained stories that were presented for publication As Watson writes in his Foreword Holmes s cases overlapped one another considerably often with the next beginning while the current was still in motion Some moved linearly from start to finish without interruption while others stretched a piece here and a piece there across weeks months or even years and decades There are cases from the past that resonated into the present or times when Holmes s path was detoured from the middle of one case into a completely different matter without warning A few never reached any conclusion at all Sometimes Holmes would find himself surrounded by the returning ripples of a matter that he had believed to be concluded years earlier with the guilty miscreant supposedly far behind him Watson chose the stories in this collection to represent this tangled skein Join us as we ascend the seventeen steps to the sitting room at 221b Baker Street discovering cases that range from Holmes s earliest days in practice to his activities during his supposed retirement on the South Downs of Sussex The game is afoot Requiem for Sherlock Holmes Paul Stuart Hayes,2012-09-04 Sherlock Holmes returns in five enthralling cases

Written in an authentic style each tale adds new layers to the legend of the great detective When Holmes father is arrested for the murder of a servant Sherlock has prove his father s innocence and clear the family name However the fractious relationship between father and son makes the case doubly a challenge Will they be able to put aside age old hostilities and find the true culprit before the accused has his date with the gallows After decades of forced absence Holmes returns to his childhood home in the process unlocking long repressed feelings which force him to confront his troubled past and threaten to expose his darkest secrets This collection also contains four short stories in which Sherlock Holmes and Dr Watson pit their wits against their deadliest foes culminating in a sea journey for Watson which takes an extraordinary turn that could solve the most fabled of mysteries *The Feats of Sherlock Holmes* Nick Cardillo,2018-11-21 Sherlock Holmes and Dr Watson return in six further adventures which display the great detective s brilliance once more In these adventures set across the span of the duo s lives at 221b Baker Street Holmes and Watson travel from the highest realms of society to the lowest dens of criminality across London in pursuit of the solution to a host of baffling mysteries What secret does a simple wedding ring hold What has become of a young woman fleeing the country Can Holmes uncover the truth of a haunted house which has baffled all of London These are but a few of the questions which shall be answered as the pages of Dr Watson s notebooks are opened once more to reveal *The Feats of Sherlock Holmes* **Literary Afterlife** Bernard A.
