victims angry spirits Colonials typically dismissed this as superstitious nonsense but given traditional ideas about the close links between people tigers and the spirit world it is quite understandable Other man eaters were said to be shapeshifting black magicians The result is a rich fund of tales from India and the Malay world in particular and while some people undoubtedly believed them others took advantage of man eaters to persecute minorities as the supposed true culprits The book explores the prejudices behind these witch hunts and also considers Asian weretiger and wereleopard lore in a wider context finding common features with the more familiar werewolves of medieval Europe in particular *Natural History of Quadrupeds* John Lee Comstock, 1829 **Railway Reading for all Travellers** , 1860 The Comet Caper Simon Haynes, Space Station Oberon is on high alert because a comet is about to whizz past All the scientists are preparing for the exciting event and all the kids are planning on watching All the kids except Hal Junior who s been given detention Unfortunately the comet passes a whole lot closer than expected Fortunately nobody is hurt but the kids are trapped in one half the adults in the other Never mind They have air and supplies and they can all sit tight and wait for rescue Or can they The scientists discover Space Station Oberon is now falling towards Gyrus faster and faster and it s going to crash into the planet long before anyone can be rescued Now it s up to Hal Junior and his friends Not only do they have to save themselves they ve also got to save all the scientists and the space station But how
