Zanes, 2009 In his brief career Jimmie Rodgers reigned as one of America's first music superstars. From 1927 to 1933 Rodgers created a string of hits that define American music. Blending white country, black blues, Tin Pan Alley, song, traditional ballads, and his signature yodels, he captured the spirit and sound of his generation. This book grows from the Rock and Roll Hall of Fame and Museum's American Music Masters series, which honored Rodgers. **Dan Zanes' House Party!** Dan Zanes, Claudia Eliaz, 2018-12-11 In *Dan Zanes House Party*, the Grammy Award-winning children's artist presents a huge collection of folk songs along with inspiration to start your own family band. Too often new parents eager to share their love of music with their young children feel their options are limited to cuddly singing dinosaurs and well-meaning humans whose understanding of children's music starts with Kumbaya and ends with Puff the Magic Dragon. For many sane adults, these choices are more abrasive than the most aggro noise rock of their college years. Dan Zanes has spent the past 20 years creating a truly compelling body of children's music that music-loving parents can also get behind. A former 1980s indie rocker, Zanes' 13 children's albums have gained wide praise for their authentic arrangements and preservation of America's folk traditions. In *Dan Zanes House Party*, the Grammy Award-winning Zanes has curated a rich selection of folk songs that comprise an essential musical cross-section of the American experience and its multicultural immigrant underpinnings. The selections include the standard songs we all know and love along with folk classics. Each song is accompanied by a brief narrative on its historical context, followed by lyrics notation and chords. Among the songs you'll learn to play: Erie Canal, Pay Me My Money Down, Titanic, Waltzing Matilda, The Farmer Is the One, Wabash Cannonball, Sloop John B, Old Joe Clark, Skip to My Lou, King Kong, Kitchie and We Shall Not Be Moved. *Dan Zanes House Party* also includes informational sidebars throughout to give families the basics needed to pick up instruments and learn to more fully enjoy music as a family band. And in the back of the book, you'll find chord charts for guitar, ukele, and mandolin. More than just a collection of songs, *Dan Zanes House Party* is part music book, part history lesson, and a work that all families can enjoy together. **Billboard**, 2001-12-29 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends. [LGBTQ America Today](#) John Charles Hawley, 2008-11-30 Lesbian, gay, bisexual, transgender, and queer culture is a vibrant and rapidly evolving segment of the American mosaic. This book gives students and general readers a current guide to the people and issues at the forefront of contemporary LGBTQ America. Included are more than 600 alphabetically arranged entries on literature and the arts, associations and organizations, individuals, law, and public policy concerns, health, and relationships, sexual issues, and numerous other topics. Entries are written by distinguished authorities and cite works for further reading, and the encyclopedia closes with a selected general bibliography. Students in social studies, history, and literature classes will welcome this book's illumination of American cultural diversity. LGBTQ Americans have endured many struggles, and during

the last decade in particular they have made tremendous contributions to our multicultural society Drawing on the expertise of numerous expert contributors this book gives students and general readers a current overview of contemporary LGBTQ American culture Sweeping in scope the encyclopedia looks at literature and the arts associations and organizations individuals law and public policy concerns health and relationships sexual practices and various other areas Entries cite works for further reading and the encyclopedia closes with a selected general bibliography While extensive biographical entries give readers a sense of the lives of prominent lesbian gay bisexual transgender and queer Americans the many topical entries provide full coverage of the challenges and contributions for which these people are known The encyclopedia supports the social studies curriculum by helping students learn about cultural diversity and it supports the literature curriculum by helping students learn about LGBTQ writers and their works
