At the other end of the spectrum are classic adventures such as *In the Measure of Time*, a chance encounter set on the high seas and a science fiction film treatment set in Mexico as well as seventeen chapters of a novel that reappears throughout Louis's journals and letters and speaks to his fascination with post revolutionary 1950s China leading him so far as to correspond with the Dalai Lama. With rare photographs and commentary this book further maps the journey L'Amour embarked upon to become one of our greatest storytellers and the diverse realms to which his imagination traveled making him a true American pioneer.

[The Trail to Crazy Man](#) Louis L'Amour, 2005-07-26 A WORD FROM LOUIS L'AMOUR Almost forty years ago when my fiction was being published exclusively in pulp western magazines I wrote several novel length stories which my editors called magazine novels. In creating them I became so involved with my characters that their lives were still as much a part of me as I was of them long after the issues in which they appeared became collector's items. Pleased as I was about how I brought the characters and their adventures to life in the pages of the magazines I still wanted the reader to know more about my people and why they did what they did. So over the years I revised and expanded these magazine works into fuller length novels that I published in paperback under other titles. These particular early magazine versions of my books have long been a source of great speculation and curiosity among many of my readers so much so of late that I'm now pleased to collect three of them in book form for the first time. I hope you enjoy them.
