THE FATHER A son A daughter A Love Affair shares a story based upon author Charles Watson's personal testimony about God's plan for marriage for each person. There are things in life that can't be rushed and following God's preordained plan for finding a life partner falls into that category. Each chapter of this guide carefully explores each step in the process that God follows to enable us to find a true partner of the heart, the one true marriage partner for each person. Watson also includes the pertinent scripture that supports God's plan for love and marriage. Song of Solomon states that many waters cannot quench love nor can the floods drown it; no substantial amount of water can put out the fire of love that is in the heart. When God determines that two people should come together in marriage, it is a wonderful heartfelt event in the lives of two loving people. Watson cautions that it is not wise to rush or speed up the process as it can lead to missteps and mistakes made in relationships that can be devastating. If the focus is on finding the best partner with God's loving guidance, a successful marriage will be the reward. *My Love Affair with Life* Judy Gascoyne, 2002

The Mystery Experience Tim Freke, 2012-01-01 Prepare for the journey of your life. Literally. This book does not aim to make your life carefree, to make your problems disappear, to turn you into a saint free from blemish or blame. In fact, you may end up utterly bewildered by The Mystery Experience at times. But you will also be intrigued, curious, questioning, loving, loved, overjoyed, seduced out of the numbness of banality, and most importantly, awake. Gloriously awake and full of wonder. Philosopher and author Tim Freke leads us on a journey through the nature of the Mystery Experience via quantum physics, Gnosticism, the essence of Tao, meditation, Walt Whitman, Greek mythology, Buddhism, Dub, Punk, musician Jah Wobble, and Carl Jung. But what is the Mystery Experience? You can taste it by simply focusing your attention on the mystery. But what is the mystery? The mystery is life. The mystery is the journey. The mystery is you. The mystery is me. The mystery makes you want to say simply WOW. No one has the answers, but asking the questions is what makes us come alive. Wherever you're coming from, you will find this journey rewarding. The only real requirement is that you're willing to wonder about life, to be curious, and
