Erickson, 2022 Provides a history of spanking including the transition from instruments to the hand Reviews relevant research over the last 100 years on spanking outcomes Identifies the social and cultural supports of spanking including legal standing Includes thought provoking prompts on what it means to be a parent Raising Raffi Keith Gessen, 2022-06-07 A wise mild and enviably lucid book about a chaotic scene Dwight Garner The New York Times Memoirs of fatherhood are rarely so honest or so blunt Daniel Engber The Atlantic An instant classic M C Mah Romper NAMED A MOST ANTICIPATED BOOK OF 2022 BY LIT HUB THE MILLIONS An unsparing loving account of fatherhood and the surprising magical and maddening first five years of a son's life I was not prepared to be a father this much I knew Keith Gessen was nearing forty and hadn't given much thought to the idea of being a father He assumed he would have kids but couldn't imagine what it would be like to be a parent or what kind of parent he would be Then one Tuesday night in early June the distant idea of fatherhood came careening into view Raffi was born a child as real and complex and demanding of his parents' energy as he was singularly magical Fatherhood is another country a place where the old concerns are swept away where the ordering of time is reconstituted where days unfold according to a child's needs Whatever rulebooks once existed for this sort of thing seem irrelevant or outdated Overnight Gessen's perception of his neighborhood changes suddenly there are flocks of other

parents and babies playgrounds and schools that span entire blocks Raffi is enchanting as well as terrifying and like all parents Gessen wants to do what is best for his child But he has no idea what that is Written over the first five years of Raffi's life Raising Raffi examines the profound overwhelming often maddening experience of being a dad Gessen traces how the practical decisions one must make each day intersect with some of the weightiest concerns of our age What does it mean to choose a school in a segregated city How do you instill in your child a sense of his heritage without passing on that history's darker sides Is parental anger normal possibly useful or is it inevitably authoritarian and destructive How do you get your kid to play sports And what do you do in a pandemic when the whole world seems to fall apart By turns hilarious and poignant Raising Raffi is a story of what it means to invent the world anew **It Worked for Me!** Editors of Parents Magazine, 2004-01-05 A selection of parenting tips and techniques from Parents magazine offers solutions to everything from preemie care and potty training to clothing and discipline **Discipline Without Distress** Judy Arnall, 2012-09-21 Discipline that you and your child will feel good about Spanking and time outs do NOT work At last a positive discipline book that is full of practical tips strategies skills and ideas for parents of babies through teenagers and tells you EXACTLY what to do in the moment for every type of behaviour from whining to web surfing Includes 50 pages of handy charts of the most common behaviour problems and the tools to handle them respectfully Parents and children today face very different challenges from the previous generation Today's children play not only in the sandbox down the street but also in the world wide web which is too big and complex for parents to control and supervise As young as aged four your child can contact the world and the world can contact them A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor Traditional discipline methods no longer work with today's children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline You need new discipline tools **My Ex Is Driving Me Crazy** Aleta Koman, Edward Myers, 2008-02-01 My Ex Is Driving Me Crazy provides useful compassionate advice about the chronic burdens that often result from conflicts with difficult demanding vindictive or even dangerous spouses It comprises of ten chapters that cover denial guilt communication damage control kids and more *Without Spanking Or Spoiling* Elizabeth Crary, 1993 If you feel trapped between extremes when you're disciplining your children you'll appreciate the time tested advice in this classic guide You don't have to spank your children to get them to behave and you don't have to worry that you're spoiling them either Drawing from four major child guidance philosophies parent educator Elizabeth Crary provides dozens of examples and exercises to help you find the best way to rear your children Without Spanking or Spoiling will also help you understand **The 7 Stages of Motherhood** Ann Pleshette Murphy, 2010-05-19 This refreshingly candid parenting book puts mothers not children center stage Ann Pleshette Murphy provides a reassuring wise and often wildly funny mix of anecdotes and advice as she describes the seismic shifts in women's lives and identities from pregnancy through a child's graduation She draws on countless conversations with mothers and with child development experts she has met as

the parenting contributor to Good Morning America and as the former editor in chief of Parents magazine The mother of two Murphy freely shares her own trials and errors in stories that will have readers laughing in relief and recognition Written with wit warmth and unfailing empathy The 7 Stages of Motherhood is an exuberant and indispensable guide to making the most of motherhood Words of Wisdom for Every Stage of Motherhood _ Forget the mothering comes naturally myth And don't be afraid to ask for help _ Avoid keeping up with the Joneses Give your kids what they need not everything they want _ Know when you're in the wrong movie Don't try to cast your kids in a remake of your childhood _ Give yourself credit for finding Lego Man's hair Little acts of caring matter more to your kids than getting through your to do list _ Be a mother not Mother Teresa When you neglect your own needs you shortchange your kids **Kids Don't Come with Instructions**
