Love At The Heart Of Things A Biography Of Douglas V Steere:

Love at the Heart of Things E. Glenn Hinson, 1998 *Longing for God* Paulsell, William O., 2021 A survey of the life and thought of Christian mystics from the time of Augustine of Hippo in the first centuries of the Church through mediaeval times and up to the middle of the twentieth century with Dorothy Day and Thomas Merton **Christian Spirituality** Karen E. Smith, 2007 This textbook works towards presenting Christian spirituality as an ongoing dialogue between doctrine and experience and asserts that Christian spirituality must reflect the idea of search It features a number of pedagogical tools to aid the undergraduate such as questions for reflection and guides to further reading Restless Souls Leigh Eric Schmidt, 2012-09-05 Yoga classes and Zen meditation New Age retreats and nature mysticism all are part of an ongoing religious experimentation that has surprisingly deep roots in American history Tracing out the country's Transcendentalist and cosmopolitan religious impulses over the last two centuries *Restless Souls* explores America's abiding romance with spirituality as religion's better half Now in its second edition including a new preface Leigh Eric Schmidt's fascinating book provides a rich account of how this open road spirituality developed in American culture in the first place as well as a sweeping survey of the liberal religious movements that touted it and ensured its continued vitality **Dictionary of Christian Spirituality** Zondervan, 2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The *Dictionary of Christian Spirituality* reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The *Dictionary of Christian Spirituality* is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians **The Upper Room Dictionary of Christian Spiritual Formation** Keith Beasley-Topliffe, 2017-02-01 This reference book compiled with the help of more than 50 scholars from many denominations provides a basic guide to Christian spiritual formation through more than 470 entries It covers such subjects as great spiritual teachers of the past and present important topics in Christian spirituality and ways to pray and

lead groups in prayer and spiritual growth Containing enough information to get you started but not so many details as to overwhelm the entries in this dictionary answer such questions as What is spiritual formation What is grace How does it help me grow What is centering prayer How do I do it Who is Hildegard of Bingen What did she write How can I grow in forgiveness What are Fowler s stages of faith What are other ways of talking about stages of spiritual growth This dictionary also includes a chart that compares various Christian spiritual traditions plus a list of significant spiritual classics by title and author

Historical Dictionary of the Friends (Quakers) Margery Post Abbott, Mary Ellen Chijioke, Pink Dandelion, John William Oliver, 2011-12-01 The modern reputation of Friends in the United States and Europe is grounded in the relief work they have conducted in the presence and aftermath of war Friends also known as Quakers have coordinated the feeding and evacuation of children from war zones around the world They have helped displaced persons without regard to politics They have engaged in the relief of suffering in places as far flung as Ireland France Germany Ethiopia Egypt China and India Their work was acknowledged with the award of the Nobel Peace Prize in 1947 to the American Friends Service Committee AFSC and the Friends Service Council of Great Britain More often however Quakers live worship and work quietly without seeking public attention for themselves Now the Friends are a truly worldwide body and are recognized by their Christ centered message of integrity and simplicity as well as their nonviolent stance and affirmation of the belief that all people women as well as men may be called to the ministry The expanded second edition of the Historical Dictionary of the Friends Quakers relates the history of the Friends through a chronology an introductory essay an extensive bibliography and over 700 cross referenced dictionary entries on concepts significant figures places activities and periods This book is an excellent access point for scholars and students who will find the overviews and sources for further research provided by this book to be enormously helpful

Distinctively Baptist Essays on Baptist History Walter B. Shurden, 2005 This collection of essays by different authors is presented as a tribute to Walter B Buddy Shurden distinctively Baptist church historian teacher preacher author Baptist apologist extraordinaire The rationale of this celebration of the lifework and influence of Walter Shurden is well stated for example in editor Marc Jolley s preface During some of the initial forays of our most recent and ongoing Fundamentalist Moderate controversy there were days when I thought about changing denominations Shurden s works were instrumental in my remaining a Baptist not because I could see how Baptists had always had controversies and survived although that is true but because he helped me understand that the reason I had been Baptist and would remain so was due to our Baptist distinctives our freedoms For so much more but especially for that understanding I am forever grateful Many students Baptists in the pews some at the pulpit or lectern even some who are not distinctively Baptist could testify in like terms regarding the ongoing work and influence of Walter B Shurden The essays in this collection of course address some of the primary concerns of Walter Shurden augmenting that already significant lifework

The Cycle of Grace Trevor Hudson, Jerry P. Haas, 2012 Are you soul weary Do you struggle to make time for God in the midst of a packed

schedule Or do you sometimes stay so busy doing things for God that you can't relax and just be Jesus faced amazing pressure and overwhelming demands throughout his ministry but he did not experience the burnout so common today among Christian ministers and laypersons You can learn the rhythm of living that Jesus demonstrates the Cycle of Grace throughout the Gospels This 6 week study will help you know that God loves you nurture your spiritual life understand who you are called to be in the world learn how to restore balance to your life Publisher The Oxford Handbook of Quaker Studies Stephen W. Angell, Pink Dandelion, 2013-09-26 Quakerism began in England in the 1650s George Fox credited as leading the movement had an experience of 1647 in which he felt he could hear Christ directly and inwardly without the mediation of text or minister Convinced of the authenticity of this experience and its universal application Fox preached a spirituality in which potentially all were ministers all part of a priesthood of believers a church levelled before the leadership of God Quakers are a fascinating religious group both in their original peculiarity and in the variety of reinterpretations of the faith since The way they have interacted with wider society is a basic but often unknown part of British and American history This handbook charts their history and the history of their expression as a religious community This volume provides an indispensable reference work for the study of Quakerism It is global in its perspectives and interdisciplinary in its approach whilst offering the reader a clear narrative through the academic debates In addition to an in depth survey of historical readings of Quakerism the handbook provides a treatment of the group's key theological premises and its links with wider Christian thinking Quakerism's distinctive ecclesiastical forms and practices are analysed and its social economic political and ethical outcomes examined Each of the 37 chapters considers broader religious social and cultural contexts and provides suggestions for further reading and the volume concludes with an extensive bibliography to aid further research **Signs of Peace** William D. Apel, 2006-01-01 During the last decade of his life Thomas Merton corresponded with numerous people around the globe about world religions and the need for interfaith understanding Initiating contact with figures like Zen scholar D T Suzuki Thich Nhat Hanh and Rabbi Abraham Heschel he sought not only to expand his understanding of other faiths but to find like minded friends who might share his dream of a global community of the spirit Such people whom he called living sacraments or signs of peace were those able to unite in themselves and experience in their own lives all that is best and most true in the numerous spiritual traditions Shaping the Journey Daniel Ethan Harris, 2025-08-21 How do the theological impulses of evangelical pietism and contemplative monasticism converge in the modern spiritual formation movement Shaping the Journey brings John Wesley and Thomas Merton into critical dialogue examining their distinct yet complementary contributions to Christian spirituality With Wesleyan evangelicalism as a thesis and Mertonian monasticism as antithesis this study argues that the spiritual formation movement represents a meaningful synthesis of these traditions Central to this synthesis is the work of M Robert Mulholland Jr whose integrative vision of spiritual formation clearly reflects the influences of Wesley and Merton and the evangelical and monastic traditions they represent Engaging history theology

and spirituality this work offers a vital resource for understanding the roots and trajectory of Christian spiritual formation

Nixon's First Cover-up H. Larry Ingle, 2015-07-07 Have you ever thought you completely knew a story inside and out only to see some new information that shatters what you had come to accept as unquestioned fact Well Richard Nixon is that story and Nixon's First Cover up is that new information With few exceptions the religious ideologies and backgrounds of U S presidents is a topic sorely lacking in analysis H Larry Ingle seeks to remedy this situation regarding Nixon one of the most controversial and intriguing of the presidents Ingle delves more deeply into Nixon's Quaker background than any previous scholar to observe the role Nixon's religion played in his political career Nixon's unique and personally tailored brand of evangelical Quakerism stayed hidden when he wanted it to but was on display whenever he felt it might help him advance his career in some way Ingle's unparalleled knowledge of Quakerism enables him to deftly point out how Nixon bent the traditional rules of the religion to suit his needs or in some cases simply ignored them entirely This theme of the constant contradiction between Nixon's actions and his apparent religious beliefs makes Nixon's First Cover up truly a groundbreaking study both in the field of Nixon research as well as the field of the influence of religion on the U S presidency Forty years after Nixon's resignation from office Ingle's work proves there remains much about the thirty seventh president that the American public does not yet know

A Testament of Devotion and Thomas Kelly, Augustinian Quaker Guy Aiken, 2021-04-06 Guy Aiken provides a critical appreciation of Quaker mystic Thomas Kelly 1893 1941 and his classic A Testament of Devotion 1941 This examination of Kelly's life and devotional writings is largely viewed through an Augustinian lens Augustine's Confessions was a touchstone for Kelly after his mystical transformation in 1937 38 Aiken argues that Kelly's vision of Quakerism transcended religious and historical boundaries while still speaking directly and prophetically to mid twentieth century liberal Quakerism and Christianity in the United States The volume treats in turn Kelly's melding of liberal and evangelical theology his prophetic call to his contemporaries and his revival of an ancient ethic before concluding with helpful suggestions for further research *Friends Journal*, 1999

Mysticism and Vocation James R. Horne, 2006-01-01 We tend to think that a person who is both reasonable and moral can have a good life What constitutes a life that is not only good but superlative or even marvellous or holy Those who have such lives are called sages heroes or saints and their lives can display great integrity as well as integration with a transformative Spiritual Presence Does it follow that saints are perfect people Is there a common vision that impels them to seek holiness In a controversial interpretation of mysticism Horne suggests that there is no single formula for the meaning of life and no one story that displays it to us Mysticism rather than being just a visionary perception then becomes a problem solving process that brings about a creative transformation of the personality at a critical stage in life He suggests also that saints may be imperfect morally and describes true saints as double minded they are serious in a playful way Mysticism and Vocation illuminates our understanding of saintly lives by explicating their mystical characteristics and extending discussions of mysticism to explain its role in active lives In

discussing important decisions that go beyond conventional morality it adds to recent philosophical arguments by Charles Taylor Alasdair MacIntyre Iris Murdoch Bernard Williams and others to the effect that morality should be defined more broadly to deal with the human condition This book will be of interest to students of philosophy and religious studies in both graduate and undergraduate programs **Rethinking Philosophy in Light of the Bible** Brayton Polka,2014-10-15

Rethinking Philosophy in Light of the Bible analyzes the ideas that are central to the philosophy of Kant Hegel and Kierkegaard in order to show that they are biblical in origin both ontologically and historically Brayton Polka argues that Schopenhauer has an altogether false conception of the fundamental ideas of the Bible creation the Fall of Adam and Eve and covenantal love and of Christianity which leaves his philosophy irredeemably contradictory as he himself acknowledges The aim then is to show that our modern values the values that constitute modernity are biblical in origin It is only when we come to understand that modernity is biblical from the beginning and that the Bible is modern unto the end that we are able to overcome the opposition so evident today between philosophy and theology between reason and faith and between the secular and the religious Polka makes central the distinction that Kierkegaard draws between Christianity and Christendom Christianity represents the coming into historical existence of the single individual Christendom represents Christian values that are rationalized in pagan terms As Kierkegaard shows us if God has always existed eternally then he has never existed eternally then he has never come into historical existence for the single individual The distinction between Christianity and Christendom is the distinction not between faith and reason but between truth and idolatry While theology and philosophy each represent the truth of Christianity Schopenhauer s idolatrous concepts of faith no less than of reason represent Christendom Mirrored Minds Kate Ashton,2025-04-24 In her unique dual biography Kate Ashton delineates the parallel lives of Hans Christian Anderson and Sen Kierkegaard their personal relationship literary careers and lasting cultural influence on the western and wider world These two towering literary geniuses followed radically divergent paths and yet each read and reacted to the immense power and depth of the other s growing oeuvre as it refracted their own Against the backdrop of the end of Golden Age Denmark within a warring Europe and the spiritual and sexual repression of Reformed Christianity each suffered the fate of the prophet unhonoured in his hometown of Copenhagen Tracing their lives from childhood trauma to tragic love affairs and anguished isolation Ashton illuminates counteractive response to experience one an inward search for truth and self knowledge the other flight into distraction and fantasy Mirrored Minds offers the reader an opportunity to explore each author and his legacy within the context of the other just as their long standing association held up a mirror for Anderson and Kierkegaard themselves Abba's Whisper Alan Davey,Elizabeth Davey,2017-01-18

There is a longstanding tradition that God whispers in our ears He does not shout It is in the holy whisper writes the Quaker mystic that we hear Abba s voice not in the noise of clamoring crowds or the incessant barrage of social media To hear the voice of God is an awesome thing to know his thoughts to intuit his love to participate in his good pleasure It is both a gift to

be received and art to be cultivated It can call to us when we least expect but we can train ourselves to become receptive listeners We need help to separate the cacophony of voices calling to us from the quiet whisper of Abba barely audible Since our wordy world masks the quiet respectful voice of God we need to recognize the primary ways that Abba communicates with his creation We must embrace practices that move us out of lives of distraction and exchange old patterns of living with new ways of seeing and hearing From our deep Christian past we hear the voice of St Augustine murmur Whisper in my heart I am here to save you I shall hear your voice and make haste to clasp you to myself *Works of Love in a World of Violence* Deidre Nicole Green, 2016-11-10 As she constructively engages feminist critiques of Christianity's complicity in violence Deidre Nicole Green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a Kierkegaardian conceptions of Christian love that limits self sacrifice Back cover

If you ally infatuation such a referred **Love At The Heart Of Things A Biography Of Douglas V Steere** ebook that will pay for you worth, get the definitely best seller from us currently from several preferred authors. If you desire to funny books, lots of novels, tale, jokes, and more fictions collections are as a consequence launched, from best seller to one of the most current released.
