William Stevens, Ted Swisher, 1986 **Faith is a Verb** Chris Goodrich, 2005 Goodrich traces Habitat s history back to an unsung American hero Clarence Jordan who in the 1940 s founded a Christian community in south Georgia dedicated to social and economic justice Koinonia Farm made headlines in the 1950 s when the Ku Klux Klan and J Edgar Hoover attempted to put it out of business for embracing integration and a seemingly communistic lifestyle but is known today mainly as Habitat s birthplace Millard Fuller a millionaire businessman arrived at Koinonia during a spiritual crisis in the early 1970 s and under Jordan s guidance realized that he was a money holic In 1976 Fuller and his wife would found Habitat for Humanity which in 2005 completed its 200 000th house Cotton Patch Rebel Ann M. Trousedale, 2015-06-26 Clarence Jordan seemed to be born with an ability to see things just a little bit differently than other people did and sometimes that got him into trouble Like his views on racial equality they just weren t popular with many other White people in the Deep South of his day Like his views on war and how to deal with violence and hatred For Clarence the Gospel was very clear about these issues Moreover he believed that Jesus s teachings were not just abstract principles but were meant to be applied directly to everyday life That got him into trouble too especially among certain church going people Along the way Clarence became a progressive farmer a sought after preacher a Greek scholar an author a precursor of the Civil Rights movement and a family man An irrepressible sense of humor enlivened all these aspects of his life Today Clarence Jordan is best known as the author

of the Cotton Patch Gospels and as the inspiration for Habitat for Humanity The story of the making of this extraordinary man is not so widely known Cotton Patch Rebel tells that story **More Than Houses** Millard Fuller, 1999-10-05 In these pages you will find inspiring true stories of people who didn't have hope until they had a home Stories of children who gained identity and confidence for their future Of families made stronger and healthier and prison inmates who are now giving back to their communities Of entire communities bonding together around an ethic of hard work and mutual respect Of denominational political and racial barriers falling with every swing of the hammer Of a growing host of young people engaged in the quest to end poverty housing And even some wonderful love stories The end result is nothing less than the transformation of lives communities and families one person one home at a time Which of course has always been the dream to build more than houses Habitat for Humanity is building much more than houses By building hope it is building relationships strengthening communities and nurturing families Actor Paul Newman Habitat supporter Rosalynn and I believe in Habitat's integrity effectiveness and tremendous vision With Habitat we build more than houses We build families communities and hope Former U S President Jimmy Carter I could have gone through my whole life bouncing back and forth on welfare Habitat makes a difference and allows people to be what God intended them to be instead of what their circumstances dictate Missouri homeowner Terrie Robinson *So, What's the Latest News?* Peggy Clark, 2016-04-14 A precious letter holds the key to something you've been missing yet longing for It's addressed to you so pull back the covering and take a peek inside Apostle Paul and Timothy speak to today's saints and faithful brethren Subtitled Messages from a Prisoner in Rome this book is written for those desiring to study the Bible in a deeper personal way but find themselves discouraged with commentaries that are laborious time consuming and inapplicable to today's generation Author Peggy Clark's enlightening and penetrating verse by verse study of The Epistle of Paul the Apostle to the Colossians will embolden you to respond in love and truth to the greatest message for our time Study guide with additional background information helpful questions and room for responses included to facilitate further study individually or in a group setting What Good Is God? Philip Yancey, 2025-05-01 Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith The question he tackles in What Good Is God concerns the practical value of belief in God His search for the answer to this question took him to some amazing settings around the world Mumbai India when the firing started during the terrorist attacks at the motel where Martin Luther King Jr was assassinated on the Virginia Tech campus soon after the massacre an AA convention and even to a conference for women in prostitution At each of the ten places he visited his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested What Good Is God tells the story of Philip's journey the background the preparation the presentations themselves Here is a story of grace for armchair travelers spiritual seekers and those in desperate need of assurance that their faith really matters Lilies that Fester, and Love's Constancy William
