Love Lives Of The Great Composers From Gesualdo To Wagner:

Love Lives of the Great Composers Basil Howitt, 1995 Basil Howitt delves into the love lives of a cluster of the great composers from Gesualdo to Wagner and finds much to delight surprise shock and even appall his readers but never bore them **Richard Wagner** Michael Saffle, 2010-06-10 Richard Wagner A Research and Information Guide is an annotated bibliography concerning both the nature of primary sources related to the composer and the scope and significance of the secondary sources which deal with him his compositions and his influence as a composer and performer *The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century* Paul Watt, Sarah Collins, Michael Allis, 2020-03-02 Rarely studied in their own right writings about music are often viewed as merely supplemental to understanding music itself Yet in the nineteenth century scholarly interest in music flourished in fields as disparate as philosophy and natural science dramatically shifting the relationship between music and the academy An exciting and much needed new volume The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century draws deserved attention to the people and institutions of this period who worked to produce these writings Editors Paul Watt Sarah Collins and Michael Allis along with an international slate of contributors discuss music s fascinating and unexpected interactions with debates about evolution the scientific method psychology exoticism gender and the divide between high and low culture Part I of the handbook establishes the historical context for the intellectual world of the period including the significant genres and disciplines of its music literature while Part II focuses on the century s institutions and networks from journalists to monasteries that circulated ideas about music throughout the world Finally Part III assesses how the music research of the period reverberates in the present connecting studies in aestheticism cosmopolitanism and intertextuality to their nineteenth century origins The Handbook challenges Western music history s traditionally sole focus on musical work by treating writings about music as valuable cultural artifacts in themselves Engaging and comprehensive The Oxford Handbook of Music and Intellectual Culture in the Nineteenth Century brings together a wealth of new interdisciplinary research into this critical area of study **Brass Bands of the British Isles 1800-2018 - a historical directory** Gavin Holman, Of the many brass bands that have flourished in Britain and Ireland over the last 200 years very few have documented records covering their history This directory is an attempt to collect together information about such bands and make it available to all Over 19 600 bands are recorded here with some 10 600 additional cross references for alternative or previous names This volume supersedes the earlier British Brass Bands a Historical Directory 2016 and includes some 1 400 bands from the island of Ireland A separate work is in preparation covering brass bands beyond the British Isles A separate appendix lists the brass bands in each county **The Brass Band Bibliography** Gavin Holman, 2019-08-05 9th edition 2019 A comprehensive list of books articles theses and other material covering the brass band movement its history instruments and musicology together with other related topics originally issued in book form in January 2009 **The Music Lover's Quotation Book** David W.

Barber,2003 A collection of quotations relating to music by composers performers writers critics and fans covering a wide range of musical genres and time periods **The Beethoven Journal** ,1996 **St. James Press Gay & Lesbian Almanac**

Neil Schlager,1998 This important reference work is one of the first to devote equal attention to both gay men and lesbians Its objective approach encourages in depth study of gay and lesbian history culture and experience in 20th century America The book s 23 sections include a chronology an annotated list of organizations significant historical documents important to the gay and lesbian movement and in depth discussions of gay and lesbian involvement in such fields as politics film music science sports travel leisure and visual and performing arts Each section includes biographical profiles of prominent people in each field and extensive bibliographies of books articles and Web sites The evenhanded approach to this subject makes this book an important purchase for all libraries Outstanding Reference Sources the 1999 Selection of New Titles American Libraries May 1999 Comp by the Reference Sources Committee RUSA ALA **Canadian Books in Print. Author and Title Index** ,1975 *Johannes Brahms* Thomas Quigley,Mary I.
