

## "Forever Love"

A love that's strong a love that's true  
A love that's meant for me and you  
Together will build a life so sweet  
Our love a bond that none can beat

With every breath, my heart does sing  
A melody only you can bring  
Your love a balm that soothes my soul  
My love for you a flame that's whole

Through ups and downs, our love will last  
A bond that's true, forever cast  
Our love a journey that we'll share  
Together will go anywhere

So take my hand and hold it tight  
Our love a beacon in the night  
With you by my side I am complete  
Our love a bond that none can beat

Love Stories Paul Manning,2015-05-15 In the remote highlands of the country of Georgia a small group of mountaindwellers called the Khevsurs used to express sexuality and romance in ways that appear to be highly paradoxical On the one hand their practices were romantic but could never lead to marriage On the other hand they were sexual but didn't correspond to what North Americans or most Georgians would have called sex These practices were well documented by early ethnographers before they disappeared completely by the midtwentieth century and have become a Georgian obsession In this fascinating book Manning recreates the story of how these private secretive practices became a matter of national interest concern and fantasy Looking at personal expressions of love and the circulation of these narratives at the broader public level of the modern nation Love Stories offers an ethnography of language and desire that doubles as an introduction to key linguistic genres and to the interplay of language and culture      **Primitive Love and Love-stories** Henry T.
