## Love Walked In And The Song Began:

Love Walked In, and the Song Began L. Beverly Ward Alcorn,1978-06      *George Gershwin* Walter Rimler,2011-02-16

George Gershwin lived with purpose and gusto but with melancholy as well for he was unable to make a place for himself no family of his own and no real home in music He and his siblings received little love from their mother and no direction from their father Older brother and lyricist Ira managed to create a home when he married Leonore Strunsky a hard edged woman who lived for wealth and status The closest George came to domesticity was through his longtime relationship with Kay Swift She was his lover musical confidante and fellow composer But she remained married to another man while he went endlessly from woman to woman Only in the final hours of his life when they were separated by a continent did he realize how much he needed her Fatally ill unprotected by and perhaps estranged from Ira he was exiled by Leonore from the house she and the brothers shared and he died horribly and alone at the age of thirty eight Nor was Gershwin able to find a satisfying musical harbor For years his songwriting genius could be expressed only in the ephemeral world of show business as his brilliance as a composer of large scale works went unrecognized by highbrow music critics When he resolved this quandary with his opera Porgy and Bess the critics were unable to understand or validate it Decades would pass before this his most ambitious composition was universally regarded as one of music s lasting treasures and before his stature as a great composer became secure In George Gershwin An Intimate Portrait Walter Rimler makes use of fresh sources including newly discovered letters by Kay Swift as well as correspondence between and interviews with intimates of Ira and Leonore Gershwin It is written with spirited prose and contains more than two dozen photographs      The Blossom of Thorns James Russell Miller,1905      **Two**

Widely acclaimed for his groundbreaking crime novels Booked to Die and The Bookman s Wake award winning author John

Dunning triumphantly returns with a riveting new thriller that takes us back to the summer of 1942 when radio was in its prime when daylight saving time gave way to wartime when stations like WHAR on the New Jersey coast struggled to create programming that entertained and inspired a nation in its dark hour Into this intense community of radio artists and technicians in Regina Beach New Jersey come Jack Dulaney and Holly Carnahan They are determined to find Holly's missing father whose last desperate word came from this noisy seaside town Holly sings like an angel and has what it takes to become a star Jack a racetrack hot walker and novelist who's hit every kind of trouble in his travels from sea to sea tries out as a writer at WHAR and soon discovers a passion for radio and a natural talent for script writing While absorbing the ways of radio from writing to directing he meets some extraordinarily brave and gifted people who touch his life in ways he could not have imagined actresses Rue Pauline and Hazel actor director Waldo creator of the magnificent black show Freedom Road and enigmatic station owner Loren Harford among others Jack's zeal for radio is exceeded only by his devotion to Holly who needs his help but who is terrified for his safety Strange things are happening in Regina Beach starting with an English actor who walked out of the station six years ago and was never seen again And Holly's father is gone too in equally puzzling circumstances As Jack and Holly penetrate deeper into the shadows of the past they learn that someone will do anything including murder to hide some devastating truths In a stunning novel that transcends genre John Dunning calls upon his vast knowledge of radio and his incisive reading of history to create a poignant page turning work of fiction that sheds new insights on some of the most harrowing events of the twentieth century Like E L Doctorow's Billy Bathgate or Caleb Carr's The Alienist Dunning's brilliant tale of mystery murder and revenge brings to life another time another place another world
