heartache and see the tears that death and destruction bring One person is significant you can be the one who helps others through tough times changing them and the world in the process Just sitting beside someone in pain listening to a suffering friend or opening your heart to hear God's voice makes a positive difference even an eternal difference      **Theology on the Border** Daniela Lucia Rapisarda, 2024-12-10 Focusing on the Mediterranean this book offers a theological hermeneutics from the perspective of the margin border and a theological hermeneutics of the border At the core is a case study of the Italian Protestant minority and its engagement with issues of migration While much of current migration theology is built around the principle of sacralization of the migrant person or vertical association between divinity God or Jesus and people on the move this work offers a horizontal perspective on humanization or recognition of the value of every human being based on the principle of a shared humanity created in God's image and a sense of identification first by people at the margins This approach seeks to avoid essentializing migrantness and victimhood Elaborations on the relation between identity and migration are often sustained by exclusionary logics that lead to repressive policies The book proposes a contextual theological reflection on minority identity that is at its core inclusive It offers a contribution to theology beyond confessional borders and is open to dialogue with other disciplines particularly critical border studies      *Better Not Be Love* Parvathi Saji R, 2025-04-26 River Alecia Landon is a name the world knows Acclaimed author celebrated screenwriter and the woman who is a mystery to everyone Until Eugene walks in He's not the kind of man who falls into her rhythm His presence is quiet strength his kindness disarming And unlike every man who's ever tried to win her Eugene isn't trying at all He admires her Respects her But he doesn't give in So River does the unthinkable she chases What begins as a subtle seduction becomes something neither of them can script But love wasn't part of her plan And when her past collides with his presence River must face the one thing she's always written off her own heart I didn't chase her I just waited long enough for her to realize I was already hers      *Reflections* Gerald Raulston, 2020-11-13 Writing this book has been a very fulfilling experience The items you read will perhaps give you a reason to pause and reflect on different times in your past and things you have experienced Reflections is the name of this book I chose reflections for a specific reason As you read this book some items may give you reason to reflect back in time Take your time as you read and think of times past Life is a great teacher At times we need to look to our past to learn from our mistakes as well as the victories we have accomplished We are never too old to learn to listen before we speak to forgive rather than judge and to show compassion and understanding As a wise man once told me You cannot go forward in life if you spend all your time looking back I will leave you with this thought Reflect learn and live life to the fullest      **Axe to Grind** Gabbi Grey, 2023-10-06 Ed For ten challenging years I've been the lead guitarist for the band I formed with my best friend Axel Grindstone is on the verge of making it big Which is why I'm livid when our manager brings in some snooping scandal chasing documentary producer to film our trip to Rocktoberfest We're about to hit the biggest stage of our career and I'm worried this rich jerk who has destroyed other celebrities might uncover the secret I

ve kept hidden for years I want to just ignore him but as attraction sizzles I start letting down my guard Giving in to these urges might mean distracting him from his mission and getting him on my side That s the point Right Thornton I want to bring Ed and Axel down for what they did to my sister I ve managed to insinuate myself into their inner circle as a documentarian and I m this close to pay dirt Using seduction to uncover the last of Ed s secrets might be tacky but what red blooded man would turn down what the bisexual rock god is offering But as we find stolen moments to try to slake the need I m having second thoughts If I don t avenge the wrong done to my family I won t be able to live with myself The promise of sex shouldn t be enough to stop me But as I sink deeper into a relationship with Ed I must decide if my need for revenge is worth destroying any hope of a future together

Axe to Grind is a book in the multi author Road to Rocktoberfest 2023 series Each book can be read as a standalone but why not read them all and see who hits the stage next Hot rock stars and the men who love them what more could you ask for Kick back load up your e reader and enjoy the men of Rocktoberfest
