**Soul Training with the Peace Prayer of Saint Francis** Albert Haase, 2020-12-01 In an age of body workouts and exercise regimens training the soul for peace may be one of the most important routines we take up on a committed basis For there can be no peace in the world unless there is peace in the heart Sr Ilia Delio OSF Josephine Connelly Endowed Chair in Theology Villanova University After reading Soul Training with the Peace Prayer of Saint Francis you ll know why pontiffs presidents politicians paralegals plumbers and proofreaders keep turning to the Peace Prayer This simple prayer can train the soul and keep you in shape until you cross the finish line into eternal life Think of this book as your workout manual that offers encouragement to condition all the muscles of the virtues to help you stay spiritually fit faith hope love forgiveness joy consolation understanding and selflessness The Peace Prayer gets you in the zone where God s grace shapes and stretches your soul transforming you into a saint who shimmers and shines from the introduction *Love Your Enemies* Lisa Sowle Cahill, 1994 The author examines the theological bases of just war theory and pacifism espically in the light of the concept of God as that motif illuminates Chrsitian discipleship Differences between the theory of just war and the practice of pacifism are highlighted in the overview of the history of Christian thought on the subject and the inclusiveness of the ideal of the kingdom for pacifism is emphasized *My Brother'S Keeper* Dr. Samuel White III, 2014-10-28 Dr Samuel White III has done the Church a tremendous service by writing this book to help us develop a ministry with our boys Giving us an overview of the social economic and spiritual challenges that our boys face White gives practical tips on how we can break these chains and set them free This is a must read for churches who are serious about ministering to our boys Rev Dr James Perkins Pastor Greater Christ Baptist Church Detroit Michigan President Progressive National Baptist Convention *My Brothers Keeper* is an excellent guide for mentoring our young people in general and our young men in particular A readable and helpful book I highly recommend it to anyone concerned about how to reach this generation Rev Dr Kevin Turman Pastor Second Baptist Church Detroit Michigan *My Brothers Keeper* is a must read for all who sincerely want every young person especially at risk young men reach their God given potential Rev Lawrence T Foster Pastor The Calvary Baptist Church Detroit Michigan *My Brothers Keeper* is a training manual for clergy laity parents teachers social workers youth workers guidance counselors and caring persons who want to develop a Mentoring Program Rites of Passage Conflict Resolution Classes Liberation Lessons and use Rap music to free young African American males from their spiritual social and psychological bondage Moreover these ministries will raise their self esteem fulfill their paternal deprivation help them manage their anger instruct them to be peacemakers develop their moral consciousness and save their souls If you are tired of watching our young men wearing sagging pants rapping with profanity using the n word dropping out of school getting high selling drugs having children out of wedlock terrorizing our neighborhood going to jail killing one another then this book is for you This book will not only tell you what happened to our boys but what you can do about it For too long we have

rejected ignored or demonized black boys and asked Am I my brothers keeper It is time for Christians and people of good will to acknowledge the fact that we are our brothers keeper and do justice love mercy and walk humbly with our God It is time for us to heed the words of Jesus preach good tidings unto the poor heal the brokenhearted proclaim liberty to the captives and let the oppressed go free Religion in Multicultural Education Farideh Salili,Rumjahn Hoosain,2006-05-01 The National Association for Multicultural Education in Washington D C listed a number of issues that the school curriculum should address with reference to multicultural education including racism sexism classism linguisticism ablism ageism heterosexism and religious intolerance It is noteworthy that of all these issues religion is about the only one that throughout history people are willing to die for although whether what is at issue is really religion or other things such as territory is another matter It is also interesting that all the others have isms in their names but religious issues are characterized by intolerance Perhaps we should try to understand this intolerance and look at what steps might help to alleviate it However while intolerance might seem a simple thing understanding what is behind it and how it plays such a crucial role in religion requires what we refer to in the Introduction chapter as a multifaceted approach at multiple levels It is not enough just to try to dispel stereotypes of followers of other religions or to point out commonalities in world religions We should for example try to understand and appreciate how adherents of other religions try to answer questions regarding their adaptation to the contemporary environment It is through understanding how different religions coexist side by side at various levels that we truly come to learn about religion in multicultural education *Proceedings of the Swarthmore Conferences* ,1896
