Love A Hostage:

Love a Hostage Grace LANG,1993 What is Love? Vijay Shankar Sharma,2018-06-27 Love plays an important part in our lives Countless books and relationship experts talk about love as the panacea for all ills in the world With the entire existing knowledge on the subject of love painstakingly researched for this book it is clear that no one really knows what love is how it happens or how can it be given or taken All that is known are the chemical changes that happen inside people in love or how they feel and other non specific things Do you know what is love Do you think it is possible to define love in a definitive and actionable manner Do you think there can be actionable guidelines on how to give and get love in any relationship Do you think love between for Parents Children Siblings Friends Pets Causes and Objects cannot be compared Do you think love will work in business and leadership Do you think love will work in all human interactions Do you think love can be measured Prepare to be pleasantly surprised **Robert Love's Warnings** Cornelia H. Dayton,Sharon V.

Salinger,2014-02-18 In colonial America the system of warning out was distinctive to New England a way for a community to regulate those to whom it would extend welfare Robert Love s Warnings animates this nearly forgotten aspect of colonial life richly detailing the moral and legal basis of the practice and the religious and humanistic vision of those who enforced it Historians Cornelia H Dayton and Sharon V Salinger follow one otherwise obscure town clerk Robert Love as he walked through Boston s streets to tell sojourners in His Majesty s Name that they were warned to depart the town in fourteen days This declaration meant not that newcomers literally had to leave but that they could not claim legal settlement or rely on town poor relief Warned youths and adults could reside work marry or buy a house in the city If they became needy their relief was paid for by the province treasurer Warning thus functioned as a registration system encouraging the flow of labor and protecting town coffers Between 1765 and 1774 Robert Love warned four thousand itinerants including youthful migrant workers demobilized British soldiers recently exiled Acadians and women following the redcoats who occupied Boston in 1768 Appointed warner at age sixty eight owing to his unusual capacity for remembering faces Love kept meticulous records of the sojourners he spoke to including where they lodged and whether they were lame ragged drunk impudent homeless or begging Through these documents Dayton and Salinger reconstruct the biographies of travelers exploring why so many people were on the move throughout the British Atlantic and why they came to Boston With a fresh interpretation of the role that warning played in Boston s civic structure and street life Robert Love s Warnings reveals the complex legal social and political landscape of New England in the decade before the Revolution **The Speaker's Garland and Literary Bouquet**
