

# Love And Commitment Sociological Observations

**Stephen Post**

## **Love And Commitment Sociological Observations:**

**Love and Commitment** Gary Schwartz, Don Merten, 1980-02-01      **Sociological Observation**, 1974      **Sociological Observation** Matilda W Riley, Edward E. Nelson, 1974-10-31      *The Sociology of Radical Commitment* Gary Backhaus, George Psathas, 2007-01-01 This is the first volume to present commentaries on the existential sociology of Kurt H Wolff including autobiographical biographical exegetic and creative developmental articulation of his radical thought The theme of the book connects Wolff to the sociological tradition while at the same time explicates his profound departure from the tradition      **Illusion and Disillusion** John F. Crosby, 1985      **The Emerald Handbook of the Sociology of Emotions for a Post-Pandemic World** Paul R. Ward, Kristen Foley, 2023-04-14 The Emerald Handbook of the Sociology of Emotions for a Post Pandemic World offers a sociological examination of the lived impacts of the COVID 19 pandemic through culture s of emotion offering a refreshing contribution to a new and exciting sub discipline      **Personal Life** Carol Smart, 2007-09-17 Offers a conceptual approach to understanding personal life which realigns empirical research with theoretical analysis This work emphasises ideas of connectedness relationality and embeddedness rejecting many of the assumptions found in theories of individualisation and de traditionalisation by authors such as Beck and Beck Gernsheim

**For Love of the Prophet** Noah Salomon, 2016-10-25 For some the idea of an Islamic state serves to fulfill aspirations for cultural sovereignty and new forms of ethical political practice For others it violates the proper domains of both religion and politics Yet while there has been much discussion of the idea and ideals of the Islamic state its possibilities and impossibilities surprisingly little has been written about how this political formation is lived For Love of the Prophet looks at the Republic of Sudan s twenty five year experiment with Islamic statehood Focusing not on state institutions but rather on the daily life that goes on in their shadows Noah Salomon s careful ethnography examines the lasting effects of state Islamization on Sudanese society through a study of the individuals and organizations working in its midst Salomon investigates Sudan at a crucial moment in its history balanced between unity and partition secular and religious politics peace and war when those who desired an Islamic state were rethinking the political form under which they had lived for nearly a generation Countering the dominant discourse Salomon depicts contemporary Islamic politics not as a response to secularism and Westernization but as a node in a much longer conversation within Islamic thought augmented and reappropriated as state projects of Islamic reform became objects of debate and controversy Among the first books to delve into the making of the modern Islamic state For Love of the Prophet reveals both novel political ideals and new articulations of Islam as it is rethought through the lens of the nation      **Emotions in Culture and Everyday Life** Michael Hviid Jacobsen, 2022-08-15 This volume describes and analyses a series of emotions prevalent in everyday life and culture with each chapter exploring the main facets of a particular emotion and considering the ways in which it manifests itself in and informs our culture and lives Considering our expression conception management and sanctioning of emotions and the ways

in which these have changed over time as well as the ways in which we can theorise particular emotional states authors ask how certain emotions are linked to culture and society and what roles they play in politics and contemporary life With examples and case studies taken from research into media culture and social life Emotions in Culture and Everyday Life will appeal to scholars of sociology anthropology psychology media and cultural studies and philosophy with interests in the emotions

**Sociological Abstracts** Leo P. Chall,1998 The Mormon Culture of Salvation Douglas J. Davies,2018-12-07 The Mormon Culture of Salvation presents a comprehensive study of Mormon cultural and religious life offering important new theories of Mormonism one of the fastest growing movements and thought by many to be the next world religion Bringing social scientific and theological perspectives to bear on the Church of Jesus Christ of Latter day Saints Douglas Davies draws from theology history of religions anthropology sociology and psychology to present a unique example of a truly interdisciplinary analysis in religious studies Examining the many aspects of Mormon belief ritual family life and history this book presents a new interpretation of the origin of Mormonism arguing that Mormonism is rooted in the bereavement experience of Joseph Smith which influenced the development of temple ritual for the dead and the genealogical work of many Mormon families Davies shows how the Mormon commitment to work for salvation relates to current Mormon belief in conversion and to traditional Christian ideas of grace The Mormon Culture of Salvation is an important work for Mormons and non Mormons alike offering fresh insights into how Mormons see the world and work for their future glory in heavenly realms Written by a non Mormon with over 30 years research experience into Mormonism this book is essential reading for those seeking insights into new interdisciplinary forms of analysis in religion as well as all those studying or interested in Mormonism and world religions Douglas J Davies is Professor in the Study of Religion in the Department of Theology Durham University UK He is the author of many books including Death Ritual and Belief Cassell 1997 Mormon Identities in Transition Cassell 1994 Mormon Spirituality 1987 and Meaning and Salvation in Religious Studies Brill 1984

**Subject Guide to Books in Print** ,1983 Murdoch on Truth and Love Gary Browning,2018-06-19 This book reviews Iris Murdoch s thought as a whole It surveys the breadth of her thinking taking account of her philosophical works her novels and her letters It shows how she explored many aspects of experience and brought together apparently contradictory concepts such as truth and love The volume deals with her notions of truth love language morality politics and her life It shows how she offers a challenging provocative way of seeing things which is related to but distinct from standard forms of analytical philosophy and Continental thought Unlike so many philosophers she does offer a philosophy to live by and unlike many novelists she has reflected deeply on the kind of novels she aimed to write The upshot is that her novels and her philosophy can be read together productively as contributions to how we can see others and the world

**Sociology Through Emotions** Scott R. Harris,2025-02-19 Offering an accessible and intriguing look at emotions in society Sociology Through Emotions collects together contemporary qualitative research that illuminates many of sociology s central concepts and topics from culture

socialization and inequality to family crime healthcare religion and social movements This book appeals to instructors who want to highlight the social factors that shape emotions as well as the impact of emotions on social life It is an attractive supplement for courses on introduction to sociology self and society social psychology and others focused on interaction culture and meaning making

**Ethnographic Ways of Knowing** Lucinda Carspecken, 2024-06-14 Drawing on the works of ten scholars and public intellectuals ranging over 200 years this book foregrounds ways of knowing that include but go beyond the cognitive The book explores the work of Harriet Martineau Jane Addams W E B Du Bois Zora Neale Hurston Ella Deloria M N Srinivas Barbara Myerhoff Orlando Fals Borda Ronald Takaki and Nawal El Saadawi The author discusses their multifaceted ethnographic practices and argues that such practices are still under acknowledged in contemporary research in comparison to cognition and categorization These scholars were outsiders to their societies in a variety of ways They highlighted power imbalances in the perception and representation of one group by another and brought direct experience emotion narrative imagination recognition self reflection activism and cultural humility into their writing in addition to rationality The book engages with the authors and their ideas in the context of their times and places It also reclaims them as methodological predecessors noting their contributions to what educational ethnography has been and what it could be in the future Expanding the canon of social research history and providing insight into unique methodological forms this text will be valuable for scholars and postgraduate students with interests in ethnography as well as the history of research anthropology and qualitative methods more broadly

**Research On Altruism & Love** Stephen Post, 2003-05-15 Research on Altruism and Love is a compendium of annotated bibliographies reviewing literature and research studies on the nature of love An essay introduces each of the annotated bibliographies A variety of literature directly related to science and love issues or supporting those issues is covered in the Religious Love Interfaces with Science section This annotated bibliography is unique in that it approaches the field from a decidedly religious perspective It includes classical expositions of love that continue to influence contemporary scholars including Platos work on eros the work and words of Jesus Aristotle Augustine of Hippo Martin Luther Kierkegaard and Ghandi among others The contemporary discussion includes Anders Nygren s theological arguments in his classic Agape and Eros Pitirim Sorokin and others An issue that often emerges in this literature is the question of the nature and definition of love A second annotated bibliography features current empirical research in the field of Personality and Altruism with a focus on social psychology Among the topics covered are the altruistic personality altruistic behavior empathy helping behavior social responsibility and volunteerism Methodologies are diverse and studies include experiments local and national surveys naturalistic observation and combinations of these The Evolutionary Biology annotated bibliography covers the most significant works on altruism and love in the field of biology and evolutionary psychology The fourth and final annotated bibliography in this volume is entitled Sociology of Faith Based Volunteerism Here the focus is on literature on the interface of helping behavior and religious organizations as well as major pieces on voluntary

associations      **The Legacy of Isocrates and a Platonic Alternative** James R. Muir, 2018-07-27 Bringing together the history of educational philosophy political philosophy and rhetoric this book examines the influence of the philosopher Isocrates on educational thought and the history of education Unifying philosophical and historical arguments Muir discusses the role of Isocrates in raising two central questions What is the value of education By what methods ought the value of education to be determined Tracing the historical influence of Isocrates ideas of the nature and value of education from Antiquity to the modern era Muir questions normative assumptions about the foundations of education and considers the future status of education as an academic discipline      Elgar Encyclopedia of Environmental Sociology Christine Overdevest, 2024-04-12 The Elgar Encyclopedia of Environmental Sociology serves as a repository of insight on the complex interactions challenges and potential solutions that characterize our shared ecological reality Presenting innovative thinking on a comprehensive range of topics expert scholars researchers and practitioners illuminate the nuances complexities and diverse perspectives that define the continually evolving field of environmental sociology      Continuity & Change Among Canadian Mennonite Brethren Peter M. Hamm, 1987-03-09 More than 450 years after their birth in the Anabaptist movement 125 years after their secession from Russian Mennonitism and 60 years after their immigration to Canada the Mennonite Brethren exhibit specific and measurable signs of sectarian viability and religious vitality To explain the persistence of the sect Hamm analyses the process of sacralization within the Canadian Mennonite Brethren Church which safeguards identity a system of meaning or a definition of reality and the process of secularization which erodes boundaries dislodges stable structures and destroys identity It is an oversimplification the author argues to insist that the factors of continuity ethical and cognitive norms family solidarity ethnicity worship evangelism community and church structures and service agencies are solely integrative and that the factors of change urbanization education occupational change and economic affluence are solely disruptive Instead a complex dialectic between the two processes is at work that prevents restrictive rigidity within the sect and excessive accommodation to the host society According to the author this analysis of the Canadian Mennonite Brethren becomes a case study to test the utility of an identity theory of religion which hinges on the integration differentiation dialectic It is at the same time a serious self study in religious sociology by which the author seeks to gain a better understanding of the processes of growth and decline of continuity and change and of the ongoing tension resulting from the religious movement's confrontation with society      *21st Century Sociology: A Reference Handbook* Clifton D. Bryant, Dennis L. Peck, 2006-11-17 With this valuable handbook the editors have successfully synthesized a field that has expanded considerably in recent years M L Stark CHOICE Because the field of sociological inquiry is multi faceted in perspective and does subsume a variety of specialty interests the literature in this discipline has developed and proliferated in a near exponential fashion Sociology today has become so specialty driven in its research and theory agenda that the result is an enormous and complex body of sociological knowledge that is often considered to be unwieldy 21st Century

Sociology A Reference Handbook provides a concise forum through which the vast array of knowledge accumulated particularly during the past three decades can be organized into a single definitive resource. The two volumes of this Reference Handbook focus on the corpus of knowledge garnered in traditional areas of sociological inquiry as well as document the general orientation of the newer and currently emerging areas of sociological inquiry. Key Features: Provides a timely and comprehensive assessment of the 100 specialty fields of sociology with contributions by leading authorities in their area of expertise from the U S, Canada, Europe, and Singapore. Examines four distinct phases of development in the history of sociological inquiry: a period of theoretical development, the emphasis on methodological development and refinement, the phase of specialization, and a period that has taken representatives of the discipline into previously unexplored areas. Addresses the various traditional subfields of sociology such as political sociology, educational sociology, rural sociology, criminology, occupational sociology, and minority relations. Explores important new evolving subfields such as environmental sociology, sociology of sports and leisure, military sociology, medical sociology, the sociology of food and eating, and the sociology of emotions. 21st Century Sociology presents the most comprehensive overview of modern sociology, making it a must-have resource for any academic library.
