WHY "DIDN'T" I GET MARRIED? Karen D. Reid Ph.D.,2021-01-20 The thrill of the earth experience is the reconnection of two spirits that were created as one If the man ultimately marries the feminine side of himself and the woman marries the masculine side of herself they would refuse to ever be without the other You can only divorce someone that you were never one with to begin with Wherefore if you were one how could you even contemplate divorcing yourself As noted by my publicist basically you have made it clear what you are interested in what you look to avoid and what you re hoping to instill as it relates to the interconnection and compatibility of individuals Since my life is more about ministry I
