Love In A Nutbag:

Love in a Nutbag Lisa Ammerman, 2001-08-27 Love in a Nutbag presents a combination of literary and intellectual as well as sexual and romantic interest The story is a parallel montage in the lives of two women the modern granddaughter and the dead grandmother suggesting how the two lives are bound together in a common quest for those epiphanies or moments of intense often sexual fulfillment that come out of the nutbag that our otherwise humdrum and prosaic lives occasionally present to us The story while rooted in real life presents a subtle line between easy read and soft core literary with a magical sprinkle of sexual realism While the novel may well cater to the romantic inclination of the Joanna Trollope reader it will certainly appeal to the thinking woman and man It has energy and emotional texture as well as beautifully crafted language The style is succinct the language evocative both sensuous and sensual **Notes and Queries** ,1905 Love the Way You Spy Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy That's her sister's job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha and her family to save his life and uncover the truth *Sad Love* MJ Fields, 2024-04-24 The Blue Valley series is not your typical love story It is a journey through one's past maybe even a story resembling someone close to you It's our story Welcome to the college years Love has not been easy for Tessa Ross and Lucas Links but they have managed to overcome situations that so many others in their lives haven't And through all of their difficulties neither have ever denied the love they have for one another But sometimes love isn't enough What new joys pains and decisions will they make as they take their first steps into adulthood This is love not a fairy tale Warning Highly Emotional This book contains volatile characters in real life situations that may be triggering to some readers The Sugar Frosted Nutsack Mark Leyner, 2012-03-26 From the bestselling and wildly imaginative novelist Mark Leyner a romp through the excesses and exploits of gods and mortals High above the bustling streets of Dubai in the world's tallest and most luxurious skyscraper reside the gods and goddesses of the

modern world Since they emerged 14 billion years ago from a bus blaring a tune remarkably similar to the Mister Softee jingle they ve wreaked mischief and havoc on mankind Unable to control their jealousies the gods have splintered into several factions led by the immortal enemies XOXO Shanice La Felina Fast Cooking Ali and Mogul Magoo Ike Karton an unemployed butcher from New Jersey is their current obsession Ritualistically recited by a cast of drug addled bards The Sugar Frosted Nutsack is Ike s epic story A raucous tale of gods and men confronting lust ambition death and the eternal verities it is a wildly fun wickedly fast gambol through the unmapped corridors of the imagination Out of the Broom Closet (Book 3 Love Spells Gone Wrong Series) Ashlyn Chase,2016-02-29 Lord Vishnu's Love Handles Will

Clarke,2005-07-01 Lord Vishnu s Love Handles is the story of a man who is teetering on the edge of financial ruin and insanity until a couple of secret agents teach him what it really means to lose his mind Travis Anderson has a psychic gift Or so he thinks So far he s milked his premonitions only to acquire an upper middle class lifestyle pretty wife big house and a shiny Range Rover without having to make any real effort But recent visions threaten his yuppie contentment Haunted by omens of impending cancers stillborn babies and personal train wrecks he is compelled to make a series of inaccurate and horrifying prophecies that humiliate him in front of his fellow country club members The IRS gets Travis s number too demanding an audit of his sloppy bookkeeping Drowning in mounting financial problems and apparent mental illness Travis tries booze pills even golf to stay afloat but nothing works His wife and friends are forced to stage an intervention Travis is in danger of losing his family his career and ultimately his sanity That is until he meets a Hindu holy man in rehab who claims to be the final incarnation of Lord Vishnu Suddenly the tragically shallow Travis is saddled with the responsibility of bettering mankind and saving the world Blazing for His Love 2 Vaneecia,2016-12-02 In this second installment of Blazing for his Love we return with plenty of lives hanging in the balance All of them placed on a thread by Shanice Shanice has decided enough is enough and has taken matters into her own hands in regards to her fallen marriage Meanwhile Bella s family seems to be growing more and more Bronx and Tee are still going strong but one incident may place everything they have worked towards in jeopardy Zay and Lexi are expecting their little bundle of joy and nothing is able to break the two of them apart as they work to build a family together With Shanice laying claims to things that no longer belong to her will anybody be left untouched or with everything blaze out in a ball of flames Monsters in Love Resmaa Menakem,2023-01-31 A gritty down to earth guide for real life couples Conflict is a natural part of any intimate relationship Yet most couples either avoid it or try to smooth over their differences This often results in at least one partner compromising their integrity and stunting their own growth Monsters in Love challenges the idea that conflict between partners is unhealthy or something to avoid Instead it encourages both people to stand by what they need and who they are but to do so with compassion rather than competitiveness or vengefulness This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up It challenges some common misperceptions about what makes for a successful partnership It

also rocks the boat of psychotherapy calling out therapists who don't bring their best to their clients. Instead of comforting fantasies or false promises, *Monsters in Love* offers you and your partner a chance to make your relationship and your lives much bigger and more emergent.

Love to Hate You Melissa Schroeder, 2020-06-18 Join USA Today Bestselling author Melissa Schroeder for a frenemies-to-lovers romantic comedy with a sexy tool belt wearing hero who is on a mission to get his woman. I'm taking a stand. I'm done with him, our show, and my stupid heart. I want nothing else to do with Travis Fillmore. Or maybe I'm lying. No, really, I mean it. Ugh, I need help when even I don't believe me. Travis is my best friend's brother and the object of my infatuation. He's also my co-host for our home improvement show, and we are zooming to the top right now. Unfortunately, I can't work with him anymore. He's pushed me too far with his antics, and I'm walking away. Only he just realized how much he needs me on the show, and he wants me back. He just pops into town and thinks I'll forgive and forget. At first, I refuse to even consider returning, but he won't go away. He tells me that he's changed, that he can be professional. And I believe him. Until he kisses me, and then he does a whole lot more. Soon, we can't keep our hands off each other. But even as I think we might be building something beautiful, someone threatens our happiness. An overzealous stalker I can deal with. That's what scares me is the man who could shatter my heart and leave me broken. Warning: This book includes breaking and entering, donuts, sarcastic friends, a woman with many trust issues, a man who doesn't realize what he wants until he almost loses it, a weirdo who doesn't understand boundaries, nosey neighbors, a trip to the Juniper Jail again, and a happily ever after for two people who finally admit they are in love.
