Churchill, 2017-03-02 Suzanne Churchill's well researched and superbly crafted study is the first book length treatment of Others an important and neglected little magazine that served as a laboratory for modernist poetic experimentation In discussions of influential poets such as Mina Loy Marianne Moore and William Carlos Williams whose careers Others helped launch Churchill counters the notion of Modernism as aesthetically self isolating and socially disengaged Rather she traces a correspondence between formal innovation and social change in American modernist poetry and argues that this dimension of modernist formalism is lost when poems are studied in isolation Others provides a framework for reassessing the scope and significance of modernist formalism The little magazine not only anchors modernist poetry in a social context but also leads to new insight into major modernist texts Churchill's commitment to her subject's broad cultural contexts makes her book important for students and teachers of Modernism as well as for those working in the fields of American poetry and poetics gender studies queer theory periodical studies and cultural studies **Indecent Theology** Marcella Althaus-Reid, 2002-09-11 Indecent Theology brings liberation theology up to date by introducing the radical critical

approaches of gender postcolonial and queer theory Grounded in actual examples from Latin America Marcella Althaus Reid
s highly provocative but immaculately researched book reworks three distinct areas of theology sexual political and
systematic It exposes the connections between theology sexuality and politics whilst initiating a dramatic sexual rereading of
systematic theology Groundbreaking intriguing and scholarly Indecent Theology broadens the debate on sexuality and
theology as never before
