Love Mates And Money:

Love, Mates & Money Kathryn Lamb, 2005 Sophie and Natasha are so different it's hard to see how they get along let alone how they've become best friends One is always in a crisis while the other is calm and level headed When the two plot to earn a bit of money their differences become very apparent but will they be able to stay friends

Breaking the Bonds Merrill D. Smith, 1993-08 In *Breaking The Bonds* Merrill Smith establishes the ambitious goal of determining what kind of problems arose in troubled marriages and of analyzing how men and women coped with marital discord To accomplish this Smith studied hundreds of divorce petitions other legal documents newspapers almshouse dockets and prescriptive literature She concludes that as in the present day married couples fought and parted over sex money and abuse *Pennsylvania History* A richly textured study With an eye to cross class and cross race representation Smith utilizes diverse sources including memoirs and diaries correspondence probate records newspaper advertisements depositions and petitions for divorce and various moral reform and social regulatory organization records A brave attempt to write a description of the development of the Puritan concept of spiritual growth Gracefully written provides specific new insights into a too neglected area of early republican domestic politics *William and Mary Quarterly* The late eighteenth century marked a period of changing expectations about marriage companionship came to coexist as a norm alongside older patriarchal standards men and women began to see their roles in more disparate ways expectations about the satisfaction of marriage grew and gender distinctions between husbands and wives became more complicated Marital strife was an inevitable outcome of these changing expectations The difficulties that rose including abuse a lack of sexual communication and domestic violence frequently brought on by alcoholism differ little from those with which couples struggle today *Breaking The Bonds* is an imaginative and original account that brings to light a strongly communicative world in which neighbors knew of discussed and even came to the aid of those locked in unhappy marriages

Transnational Coupling in the Age of Nation Making during the 19th and 20th Centuries Nicole

Leopoldie,2023-02-14 This work examines and compares courtship and marriage patterns that occurred between France and the United States during the nineteenth and twentieth centuries Departing from state centered studies of marriage law it draws on the methodologies of transnational history cultural history and the history of emotion to show that these unions

were part of a broader pattern of the larger cultural love affair between the two societies **You'll Do** Marcia A. Zug,2025-01-07 Zug's very clear eyed history of American marriage shines a new light on an old institution An absolute pleasure Liz Scheier author of *Never Simple* An illuminating and thought provoking examination of the uniquely American institution of marriage from the Colonial era through the present day Perfect for fans of Rebecca Solnit and Rebecca Traister Americans hold marriage in such high esteem that we push people toward it reward them for taking part in it and fetishize its benefits to the point that we routinely ignore or excuse bad behavior and societal ills in the name of protecting and promoting it In eras of slavery and segregation Blacks sometimes gained white legal status through marriage Laws have been designed to encourage people to marry so that certain societal benefits could be achieved the population would increase women would have financial security children would be cared for and immigrants would have familial connections As late as the Great Depression poor young women were encouraged to marry aged Civil War veterans for lifetime pensions The widely overlooked problem with this tradition is that individuals and society have relied on marriage to address or dismiss a range of injustices and inequities from gender and race based discrimination sexual violence and predation to unequal financial treatment One of the most persuasive arguments against women's right to vote was that marrying and influencing their husband's choices was just as meaningful if not better Through revealing storytelling Zug builds a compelling case that when marriage is touted as the solution to such problems it absolves the government and society of the responsibility for directly addressing them **All the Year Round** ,1892 *Money Magnetism* Norvell,2023-06-16 Magnetism flows through your brain and body as well as throughout time and space Your mind can be magnetized with ideas that cause it to attract whatever you want Just as your mind sends out magnetic wavelengths to cause you to desire food when you are hungry so too your mind can be magnetized with wavelengths of desire to attract money possessions friends love happiness gifts talents and everything you need to give you a perfect life here and now This book gives you a proven step by step system for supercharging the powerful money pulling poles of your mind with money magnetism the same power that geniuses of the past have used and our modern millionaires employ every day But here's the good part You don't have to be a genius to put these secrets to work Once you discover the simple methods and practices in this book you too can magnetize your brain centers with ideas that irresistibly attract almost as if by magic money lands possessions jewels houses friends all the rich fine and glittering things in life This book is filled with real life accounts of ordinary people just like yourself who've used these secrets to bring a floodtide of riches into their lives You too have only to stir up the mental filings in your mind The magnetic force is already there You have only to use this book and by so doing turn on the switch that releases an unending stream of abundant riches beginning right now But don't take my word for it Let me prove this to you Dr. Valentine and Yankee Hill's Metamorphoses William Valentine,1852 Issues and Events ,1915 *News Examiner and Commentator* ,1914 **Issues and Events** Francis J.
