Morris MD,2015-12-09 Events that are occurring in our world almost daily point to the possibility that we may be nearing the rapture of the church As we approach ever nearer to the time when we shall meet the Lord face to face we should begin to prepare seriously for that day In anticipation of such a magnificent experience we should begin to focus on his blessed presence with us now Seven Fountains of Love attempts to reveal from the Scriptures how it is possible to make his presence a reality in our lives He has promised never to leave or forsake those who believe in him and he delights in revealing himself to anyone who desires an intimate relationship with Father Son and Holy Spirit To begin to walk with him in this manner we must return to the cross The Seven Fountains expressed in the title speaks to the seven sources from which blood flowed from the body of our Lord during the events surrounding his crucifixion Beginning with the garden of Gethsemane and proceeding to the piercing of his side by the Roman soldiers the book attempts to show that everything needed by the believer is graciously provided including blessed intimacy with our Lord

**A Companion to the Global Renaissance** Jyotsna G. Singh,2009-05-26 Featuring twenty one newly commissioned essays A Companion to the Global Renaissance English Literature and Culture in the Era of Expansion demonstrates how

today's globalization is the result of a complex and lengthy historical process that had its roots in England's mercantile and cross cultural interactions of the sixteenth and seventeenth centuries. An innovative collection that interrogates the global paradigm of our period and offers a new history of globalization by exploring its influences on English culture and literature of the early modern period. Moves beyond traditional notions of Renaissance history mainly as a revival of antiquity and presents a new perspective on England's mercantile and cross cultural interactions with the New and Old Worlds of the Americas, Africa and the East as well with Northern Europe. Illustrates how twentieth century globalization was the result of a lengthy and complex historical process linked to the emergence of capitalism and colonialism. Explores vital topics such as East West relations and Islam, visual representations of cultural others, gender and race struggles within the new economies and cultures, global drama on the cosmopolitan English stage and many more.
