Love Online Aaron Ben-Ze'ev, 2004-01-19 Computers have changed not just the way we work but the way we love Falling in and out of love flirting cheating even having sex online have all become part of the modern way of living and loving Yet we know very little about these new types of relationship How is an online affair where the two people involved may never see or meet each other different from an affair in the real world Is online sex still cheating on your partner Why do people tell complete strangers their most intimate secrets What are the rules of engagement Will online affairs change the monogamous nature of romantic relationships These are just some of the questions Professor Aaron Ben Ze ev distinguished writer and academic addresses in this book a full length study of love online Accessible shocking entertaining enlightening this book will change the way you look at cyberspace and love forever

The Book of Love James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world s most famous sex manual The Kamasutra is one of the world s best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra The Book of Love explores how a remarkable way of looking at the world came to be cradled between book covers and survived

The Possibility of Love Kathleen O'Dwyer, 2009-01-14 The Possibility of Love is an exploration of a concept close to the human heart Grounded in the ordinary everyday experiences of human living the book provides an exploration of the diverse obstacles to the experience of love the consequences of love s absence and the unquenchable desire for love which propels influences and ultimately motivates much of human behaviour The Possibility of Love poses the question is love actually possible between human beings or is it an ideal a fantasy an illusion or a comforting aspiration which enables a palliative denial and distortion of the reality of human being This expansive question is approached through an interdisciplinary analysis The author addresses the question of love s possibility as it is explored in a selection of literature from the disciplines of philosophy psychoanalysis and poetry The interdisciplinary nature of the study is based on the assertion of an interconnection between the three disciplines and that this interconnection enables a unique

and insightful exploration of the question of love's possibility. Thus the question is explored from diverse viewpoints and also from different time frames. Convergences and divergences are noted and discussed and conclusions are drawn from the ensuing findings. The book is essentially a philosophical analysis of an emotion that significantly impacts on human experience. It attests to the gradually increasing acknowledgement of the power of emotional experience in the search for knowledge, wisdom, and truth. Thus it is a uniquely honest exploration of human nature in contemporary times. *Love @ Facebook* Nikita Singh, 2011 *Love Guide* Joshua Ayo Oyebade, Prince, Good Publications International, 2005. New ideas and secrets to make you happy in your love life, modern day dangers of Internet dating. **The Path to Love** Deepak Chopra, M.D., 2007-12-18. NEW YORK TIMES BESTSELLER. A remarkable fusion of Eastern wisdom and Western practicality that offers strategies for clearing away the obstacles to love, your life, for restoring the boundless soul of love and for finding romance that will last a lifetime. Drawing on the Vedic texts of India and other great wisdom traditions, Dr. Deepak Chopra describes the seven stages of love, beginning and culminating in ecstasy. At each stage, we hear stories like those of Clare who only falls in love with unattainable men, of Frankie and Della whose eight-year-old marriage has become a battleground of distrust, and of Gail and Jarrett who, near retirement, without understanding how they will fit together into their new lives. As we see these couples overcome their obstacles and as we work through a series of specific exercises, we anchor these lessons in our own experience. We all know the only way to enjoy the ecstasy of true romance for a lifetime is first to discover love within ourselves, but this task has often proved too difficult. Until now. In *The Path to Love*, you will find an astonishing blueprint to the uncharted territory of your own heart. First, Dr. Chopra orients us with timeless wisdom and contemporary real-life examples, then guides us step by step on the path to love. And once we discover the love inside ourselves, we start to see it everywhere: in lovers, husbands, wives, mothers, fathers, brothers, sisters, friends, until our own lives become self-sustaining acts of passion, romantic and fulfilling and miraculous. **Jacques Demy** Darren Waldron, 2016-05-16. Saccharine for some, poignant for others, Jacques Demy's enchanted world is familiar to generations of French audiences accustomed to watching Christmas repeats of his fairytale *Peau d'âne* (1970) or seeing Catherine Deneuve and Françoise Dorléant prance and pirouette in *Les Demoiselles de Rochefort* (1966). Demy achieved international recognition with *Les Parapluies de Cherbourg* (1963), which was awarded the *Palme d'Or* at Cannes. However, beneath the apparently sugary coating of his films lie more philosophical reflections on some of the most pressing issues that preoccupy Western societies, including affect, subjectivity, self, other, relations, and free will. This wide-ranging book addresses many of the key aspects of Demy's cinema, including his associations with the New Wave, his unique approach to musicals, his adaptations of fairytales, his representations of gender and sexuality, and his legacy as an iconic director for generations of audiences and filmmakers. **Lady's and Gentleman's Diary**, 1774 **Erin Samiloglu Horror Collection** Erin Samiloglu, 2012-11-01.
