Missing or Murdered in Missouri: Unsolved and Solved Cases Barbara

Kemm-Highton, 2011-08-11 Like most other states Missouri has a growing list of cold cases Three women vanish from a home in Springfield in 1992 on high school graduation night A young woman is abducted in Ava and murdered after mowing a church cemetery A 9 year old disappears and her body is found in 1975 A nurse and her children are killed in their home in a quiet new subdivision and two mothers have vanished without a trace An elderly woman who has been featured on the album cover of a popular band is murdered in her Aldrich home Just as solved cold cases have become popularized in a variety of television documentaries Missouri cases are also becoming closed DNA has been the smoking gun in one 25 year old homicide and has sent a prominent businessman to prison People are talking and in the case of a 15 year old murdered in 1982 there have been convictions Surveillance tapes and cell phones have been added to the arsenal of evidence Files are being revised and the media is featuring their stories again These are some of the victims cases and their families who press on and the organizations detectives and experts who support them

Halting the Sexual Predators among Us Duane L. Dobbert Ph.D., 2004-07-30 Recently the National Center for Victims of Crime reported annual figures showing 103 845 children were sexually abused while in that same year there was a 20% increase in all rape incidents and a 33% increase in sexual assaults Incarceration and therapy have not reduced the rates points out this author The rate of incarceration has increased but incidence of sex crimes is not waning Dobbert warns we must all play a vital role to reduce such crimes by prevention The seasoned forensic examiner enables us to see life through the sexual predator s eyes to understand the motives and intentions of people with abnormal and uncontrollable desires He argues we can create a safer world by removing the opportunity for such people to act on their ideas The author clearly explains disorders from exhibitionism to pedophilia and presents scenes that illustrate precursor behaviors shown by people preparing to act on such disordered thinking Also illustrated are stalking patterns common to mentally ill people who commit sexual assaults or lust murders including the activities of Kenneth Bianchi the Hillside Strangler and Jeffrey Dahmer whose serial lust homicides horrified the world Community activists teachers principals police officers prosecutors social workers and students of criminal justice forensic psychology and psychopathology will find this volume of interest

Killers, Crooks and Cons Reg

McKay, 2007-05-19 KILLERS CROOKS AND CONS chronicles the astonishing crimes that horrified 20th century Scotland Taking each decade in turn Reg McKay tells the true tales of the crimes that shook the nation often the world And these crimes will shock you still From serial killers to armed mobsters and poisoners to cops who killed KILLERS CROOKS AND CONS takes you from Glasgow to Edinburgh Aberdeen to Dundee and from the Highlands to the Borders As well as well known cases like the world s first serial killer Peter Manuel who was hanged for the murder of seven people wealthy landowner Max Garvie whose kinky parties led to his murder and the strange case of the death of SNP activist Willie McRae Reg McKay tells the story of many of Scotland s less well known but equally fascinating cases including a police showdown

with armed members of the IRA the murder of a wealthy socialite and a committed Christian who went to extraordinary lengths to cover up his part in the brutal murder of his wife KILLERS CROOKS AND CONS is Scotland's very own criminal record from a century of shame

The Rise of True Crime Jean Murley, 2008-08-30 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder It was more sensitive to context gave more psychologically sophisticated accounts and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before This turned out to be the start of a revolution and after a century of escalating accounts we have now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers The Rise of True Crime examines the various genres of true crime using the most popular and well known examples And despite its examination of some of the potentially negative effects of the genre it is written for people who read and enjoy true crime and wish to learn more about it With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s books documentaries and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events And in the 1980s and 1990s true crime taught pop culture consumers about forensics profiling and highly technical aspects of criminology We have thus now become a nation of experts with many ordinary people able to speak intelligently about blood spatter patterns and organized vs disorganized serial killers Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality and through the perpetuation of the stranger danger idea the true crime aesthetic has both responded to and fostered our culture's fears True crime is also the site of a dramatic confrontation with the concept of evil and one of the few places in American public discourse where moral terms are used without any irony and notions and definitions of evil are presented without ambiguity When seen within its historical context true crime emerges as a vibrant and meaningful strand of popular culture one that is unfortunately devalued as lurid and meaningless pulp

The Killer Ghost Bedrettin Simsek, 2021-06-15 A novel full of mysteries about death and life for those who have lost God and are searching for Him An example of a new different alternative literature of thought So far authors have written countless books about death without being able to tell us anything meaningful about it This time Bedrettin Simsek's novel inspired by real cases of reincarnation that took place in Turkey is not about those who die mysteriously but about those who are mysteriously born When he asks Is there a connection between reincarnation God and schizophrenia he gives answers that have not been given before He asks the questions that have not been asked In a mysterious murder investigation the search for the killer eventually leads us to find God When a murder is solved the mysteries of existence are solved What comes out of the criminal's mind reveals that birth is actually a much more mysterious event than death For those who want to think while reading to encounter new and daring ideas I see not only the great truth behind everyday events but also what happens in this world and in other worlds even before birth and after death and I describe these mysteries in my writings Bedrettin
