Lovers Are Special:

A Short Philosophical Guide to the Fallacies of Love José A. Díez, Andrea Iacona, 2020-12-10 What can epistemology tell us about love Here two philosophers use their training in arguments and reasoning to uncover the role of ungrounded beliefs when we fall in love This not a self help book it is a philosophy book Free of advice methods and strategies for being successful in love it does not offer solutions for problems What it gives us instead is a reading of love as it actually is The authors illustrate the fallacies of love by drawing on personal experiences literary characters and imaginary individuals They provide examples of ungrounded beliefs in Aesop s Fables Cinderella and Don Giovanni amongst others and illustrate love as an inexhaustible source of misperceptions misunderstandings and misconceptions By tackling those characteristic and all too familiar ways in which ungrounded love beliefs arise the book forces us to question why baseless beliefs are maintained and reinforced showing us that many love beliefs are built on anything but logic **Someone Special** MUSKAN

Modern Honor Anthony Cunningham, 2013-08-21 This book examines the notion of honor with an eye to dissecting its intellectual demise and with the aim of making a case for honor s rehabilitation Western intellectuals acknowledge honor s influence but they lament its authority For Western democratic societies to embrace honor it must be compatible with social ideals like liberty equality and fraternity Cunningham details a conception of honor that can do justice to these ideals This vision revolves around three elements character being relationships relating and activities and accomplishment doing Taken together these elements articulate a shared aspiration for excellence We can turn the tables on traditional ills of honor serious problems of gender race and class by forging a vision of honor that rejects lives predicated on power and oppression

ride over the years as each Leap Year comes and goes leaving them by turns ecstatic and despondent hopeful and despairing But in the end Fate is no match for the endearing power and ferocious tenacity of love Brimming with energy A Leap of Love sparkles with joy and will leave you breathless with the sheer suspense of tracking the memorable twists and turns in the intertwined lives of two star crossed lovers New York Magazine ,1995-01-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Special Love / Special Sex** Robert S. Fogarty,1994-10-01 Victor Hawley was a thirty year old dental assistant with a passion for collecting butterflies who fell in love with Mary Jones another colony member Because of the community s unique social and sexual practices however the two were kept apart and denied their request to have a child In the eyes of the community their love was unsanctified Instead on the order of colony founder John Humphrey Noyes Jones was subsequently impregnated by Noyes s son Fogarty effectively uses the diary to illuminate with particular clarity the largely ignored darker side of the community Thus this rare chronicle opens for radical reinterpretation the Oneida Community s plan on procreation and the central role that sexual domination played in its history Hawley s intense struggle to reconcile individual and community needs and desires illustrates a fundamental tension that characterized the community in the years immediately preceding its dissolution In 1877 after twenty three years at Oneida Victor Hawley left the community with Mary Jones after he nursed her through an agonizing pregnancy that ended in stillbirth They married had five children and lived on their own outside the embrace of Eden From numerous entries in Hawley s secret diary which were written in an arcane shorthand Robert S Fogarty successfully extracts some astonishing personal details which include descriptions of areas of community life never before revealed on such matters as religious commitment and experiments in eugenics **Special Love Special Sex** will be specifically of interest to scholars in utopian and communitarian studies and to social historians *Love on the Racks* Michelle Nolan,2008-04-09 For the better part of three decades romance comics were an American institution Nearly 6 000 romance comics were published between 1947 and 1977 and there was a time when one of every five comics sold in the U S was a romance comic This is the first book devoted entirely to the rarely studied world of romance comics The text includes information on several types of romance comics and their creators plus the history numbers and publishing frequency of dozens of romance titles The author examines several significant periods in the development of the romance genre including the origins of Archie Comics and other teen romance publications the romance comic boom and bust of the 1950s and the genre s sudden disappearance when fantasy and superhero comics began to dominate mainstream comics in the late 1970s *When Love First Came* J.
