Grogan, 2017-01-06 A new revised edition of this popular bestseller Growing in love is not something we can do on our own it doesn't just happen to us as ageing does In our later years when our hearts and minds are mellowing perhaps we can imitate God the same way we imitated our parents when we were young to grow more fully in his love Life can be hard and old age can be very hard indeed In times of hardship we often ask where is God God comes to us disguised as a parent a sibling friend teacher spouse co worker stranger helper nurse In the love and goodness of others we meet the selfless love and goodness of God Equally when we show love to others we show them God's love This book addresses primarily those who know ageing from the inside but if you haven't yet entered that strange world knowledge of its landscape may help you relate more richly to those who have and help in your own journey towards that Third Age
