wanted from life is to enjoy a quiet corner of his people's island surrounded by family. But when his adopted sister gets beaten up and exiled from the city they grew up in, Tirak finds himself dragged along on a quest to beg their Maker for redemption that might just decide the fate of their island. They hold opposing powers of fire and ice, but the two siblings will have to learn to work together and become something more if they want to succeed. An ancient darkness is coming to strangle them all, and only Tirak and Kaleek stand in its way. The Island's fate is in their hands as they miscommunicate their way through a bungled Hero's Journey. Kaleek keeps talking about going out in a blaze of glory, but all Tirak knows is he will do everything he can to not lose his last remaining connection to family.

Shades of Meaning: Shadows in Medieval Manuscript Illumination Dominique DeLuca, 2025-03-27. Are there shadows in medieval art? Studies on the role of shadows in art history have either glanced over or ignored the medieval period, yet people of the Middle Ages certainly saw and thought about shadows and recorded their ideas about these phenomena in texts and images. This book examines references to shadows in science, religion, and folklore of the Middle Ages. Through the lens of fifteenth-century manuscript painting, it investigates visual, metaphorical, and supernatural shadows in art to discover what shadows meant to the medieval viewer.

Love, Hope and Comfort Lisa Wake, 2023-10-23. The poems in this book are a collection of experiences and reflection based on my own life and that of others; the poems are written purely heartfelt to express the faith, hope, comfort, and wisdom to help other people in similar situations and conflicts, to let them know that they are not on their own; there is help out there. As an individual, they are as special and as unique as the next person; in their own individual way, you are unique, you are special, you are loved.

A Poet's Heart - Revised Charles Allen, PhD, 2012-02-29 This book is an outgrowth of the many poems that I have written over the years of my life. Most of them stemmed from the love for my wife Madeline. Some of the poems go back as far as 1968 when we were courting. The most recent poems stem from the love I felt for her after her stroke in 2001. The poems would come to me at all hours of the day and night. They were persistent. As any poet would tell you, the poems are in your brain and just won't leave you alone until you pen them to paper.
