Just Love Ann Mongoven, 2009-07-13. Once upon a time, civic virtue described an ethic of political involvement for all citizens. As American democracy evolved, however, the public and private spheres separated. The latter became domesticated and disengaged from public life by an ideology based on gender and a disinterested love of neighbor. Private passion was to be isolated from public reason; private love from public justice. But it need not be so. Drawing on examples of ordinary heroes, Ann Mongoven argues for a transformed civic virtue that articulates just love: passionate care for fellow citizens as such. By connecting theory to practice, Mongoven dramatizes the challenges raised through tangible political examples and lets ordinary heroes suggest the path toward civic renewal. *Hiv/Aids Dilemma!* Dr. Sabelo Sam Gasela Mhlanga, 2021-01-18. The book explores the fundamental human dignity and respect relating to HIV/AIDS positive people who have suffered scorn, isolation, discrimination, and stigma in the society. The book suggests a God-honoring way to relate to God's image-bearers, *imago dei*, who have HIV/AIDS or any disease that has similar stigma. It is out of that aspiration and anticipation of this book to plan and implement a teaching series to the church organizations as Christian response to HIV/AIDS. The book goes a long

way in providing teaching series and resources to garner that goal and objective to treat all people equally with dignity and respect as God's image bearers This book is highly recommended to everyone including Christian teachers leaders and Ministers who desire to see the members of the society treated with dignity and respect as Dr Sabelo Sam Gasela Mhlanga outlines all the fabric social issues patterning to HIV AIDS that hang on the balance and pose a threat to the 21st generation
