*When Texas Prison Scams Religion* Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ's executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars **How to Abolish Prisons**

Rachel Herzing, Justin Piché, 2024-04-09 An incisive guide to abolitionist strategy and a love letter to the movement that made this moment possible Critics of abolition sometimes castigate the movement for its utopianism but in *How to Abolish Prisons* long time organizers Rachel Herzing and Justin Pich reveal a movement that has made the struggle for abolition as real as the institutions they are fighting against Drawing on extensive interviews with abolitionist crews all over North America Herzing and Pich provide a collective reconstruction of what the grassroots movement to abolish prisons actually is what initiatives it has launched how it organizes itself and how its protagonists build the day to day practice of politics Readers sit in on the Winnipeg rideshares of Bar None and the meetings of the Chicago Community Bail Fund as they assess the utility of

politicized mutual aid They follow the campaigns and coalitions of Critical Resistance in Oakland and San Francisco and Survived and Punished in New York City and learn about the prisoner correspondence projects that keep activists behind bars and outside them in constant coordination Abolitionist campaigns are constructing on the ground initiatives across North America to deconstruct carceral society and build resistant communities Through the words deeds and personalities of this beautifully peopled movement How to Abolish Prisons emerges as a stunning snapshot of a movement s thinking in motion

Disturbing Attachments Kadji Amin, 2017-08-31 Jean Genet 1910 1986 resonates perhaps more than any other canonical queer figure from the pre Stonewall past with contemporary queer sensibilities attuned to a defiant non normativity Not only sexually queer Genet was also a criminal and a social pariah a bitter opponent of the police state and an ally of revolutionary anticolonial movements In Disturbing Attachments Kadji Amin challenges the idealization of Genet as a paradigmatic figure within queer studies to illuminate the methodological dilemmas at the heart of queer theory Pederasty which was central to Genet s sexuality and to his passionate cross racial and transnational political activism late in life is among a series of problematic and outmoded queer attachments that Amin uses to deidealize and historicize queer theory He brings the genealogy of Genet s imaginaries of attachment to bear on pressing issues within contemporary queer politics and scholarship including prison abolition homonationalism and pinkwashing Disturbing Attachments productively and provocatively unsettles queer studies by excavating the history of its affective tendencies to reveal and ultimately expand the contexts that inform the use and connotations of the term queer

Contrary to common assumptions medieval and early modern writers and poets often addressed the high value of freedom whether we think of such fable authors as Marie de France or Ulrich Bonerius Similarly medieval history knows of numerous struggles by various peoples to maintain their own freedom or political independence Nevertheless as this study illustrates throughout the pre modern period the loss of freedom could happen quite easily affecting high and low including kings and princes and there are many literary texts and historical documents that address the problems of imprisonment and even enslavement Georgius of Hungary Johann Schiltberger Hans Ulrich Krafft etc Simultaneously philosophers and theologians discussed intensively the fundamental question regarding free will e g Augustine and political freedom e g John of Salisbury Moreover quite a large number of major pre modern poets spent a long time in prison where they composed some of their major works Boethius Marco Polo Charles d Orlans Thomas Malory etc This book brings to light a vast range of relevant sources that confirm the existence of this fundamental and impactful discourse on freedom imprisonment and enslavement Prof Albrecht Classen is the joint winner of The Literary Encyclopedia book prize for 2023 Literatures written in languages other than English for this book [https://www.litencyc.com/book\\_prizes/book\\_prizes\\_2023.php](https://www.litencyc.com/book_prizes/book_prizes_2023.php)      *LIFE* ,1964-12-25 *LIFE* Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use      Love & Eroticism Mike Featherstone,1999-09-20 This major collection explores the contested nature of love and eroticism examining the ways in which erotic bodily pleasures have become central to contemporary consumer culture It investigates the spatial dimension of erotic life through considerations of Bohemian love the gay city and the ways in which the urban landscape and everyday life have become sexualized issues which have become central to the emergence of queer as a new form of gender politics and more general questions of sexual citizenship Drawing on the work of feminists sociologists and cultural theorists this book contains a wide ranging and accessible set of contributions to contemporary debates on sexuality love and eroticism *Love Erotici*      My Brother's Keeper Jonathan Burnside,Joanna Adler,Nancy Loucks,Gerry Rose,2013-06-17 Ten years ago there were no faith based units in prisons outside South America Today they are spreading all over the world including the United States Europe and the Commonwealth *My Brother's Keeper* is the first major study of a global phenomenon Exploring the roots of faith based units in South America it explains why the Prison Service of England and Wales set up the first Christian based unit in the western world in 1997 and its rapid expansion It also explains how at exactly the same time the United States introduced Christian based units and why they were complimented by interfaith and multifaith initiatives At the heart of *My Brother's Keeper* is an interior account of life inside four Christian based prison units in England It draws on the findings of a detailed evaluation conducted by the authors for the Home Office Prison Service and Kainos Community

between 2000 and 2001 including an updated reconviction study It is an authoritative account of an innovative programme Its analysis of what works and what doesn't in faith based units around the world makes *My Brother's Keeper* a valuable roadmap for all who care about improving prison conditions It presents a vision of justice that is not just concerned with building more prisons but with rebuilding more prisoners It argues that by making prisons more human and punishment more humane faith based units can be of value and keep faith in prisons
