Loves Windswept Embrace:

Love's Windswept Embrace Michalann Perry,1990 **In the Evening, We'll Dance: A Memoir in Essays on Love & Dementia** Anne-Marie Erickson,2025-08-20 How does a loving committed marriage survive the effects of dementia In her deeply personal and daringly original memoir Anne Marie Erickson lays bare the onset and eventual passing of her husband from dementia Her writing is multidimensional poetic as it weaves together fragments of word origins mythologies and Biblical passages Infused with the author s love and compassion this compelling memoir pierces the mysteries of living and dying Yes it s much about her husband s tragic affliction but it also moves beyond that to where we can gain invaluable lessons on how to love and endure in the face of a debilitating illness *Fragrance Of love* Rehana Zehra,2023-10-08

Fragrance of love is a powerful thing It can make you feel happy sad or even nostalgic It can transport you to a different time and place And it can remind you of someone you love I remember the first time I smelled the fragrance of love I was walking down the street and I caught a whiff of something so sweet and intoxicating I followed the scent until I found its source a young couple walking hand in hand and laughing I stood there for a moment just watching them They were so in love and it showed in their every gesture The way they looked at each other the way they touched each other the way they laughed together It was all so beautiful And then as if they could feel my eyes on them they turned to look at me And in that moment I knew what love was It was the feeling of being completely and utterly at peace It was the feeling of being home It was the feeling of being loved I smiled at the couple and they smiled back And then I turned and walked away carrying the fragrance of love with me I have never forgotten that moment And I will never forget the fragrance of love *The Wind-swept Wheat* Mary Ainge De Vere,1903 *Annals of Iowa* ,1993 Love's Captive Heart Phoebe Conn,2017-12-26 Enslaved Handmaiden Finds Love and Freedom in the Viking Warrior Adventure Love s Captive Heart by Phoebe Conn 920 AD Land of the Danes Though she is the beloved handmaiden of Viking lord Raktor s spoiled daughter Celiese d Loganville is a slave in a gilded cage When her mistress refuses to wed a man rumored to be horribly disfigured Celiese seizes her chance for freedom maybe even love Mylan Vandahl has no need of a wife who pities him But the enchanting and perplexing young woman who fears him and boldly ignores his scars arouses a need to soothe and tenderly seduce But after a wedding night of unparalleled passion the rising dawn reveals Celeise s treachery Now in the fight of her life for her dream of home and family Celeise must find a way to heal Mylan s shattered trust Other books by Phoebe Conn Savage Destiny Defiant Destiny Forbidden Destiny Wild Destiny Scarlet Destiny *Touched by Fire* Michalann Perry,1991 **Taeji's Dilemma** Sunho Na,2025-06-09

Taeji is a Korean Canadian man caught between two cultures two women and the weight of his own contradictions After chasing an engineering degree to please others he wakes up mid pandemic questioning everything his career his relationships even his will to live By day he builds weapons in Vancouver By night he navigates love lust and lies between A a fierce med student pushing him to grow and Soojin a tender soul from rural Korea who sees only his potential Taeji isn t just

torn he s unraveling Haunted by existential questions and fueled by desire Taeji s Dilemma is a raw intimate journey into the modern male psyche It s about love without boundaries freedom with a cost and the quiet war between who we are and who we pretend to be *The Works of Saint Augustine: v. 1. The Confessions* Saint Augustine (of Hippo),1990 **Love Song of the Dark Lord** Jayadeva,1997 This is one of the most important works in Indian literature and a source of religious inspiration in both medieval and contemporary Vaishnavism *The Line of Love* James Branch Cabell,1921 **Love Amid the Ashes** Mesu Andrews,2011-03 Stunning biblical novel based on Job s life told by the women who loved him **Afraja; Or, Life and Love in Norway** Theodor Mgge,1865 *At the Age for Love* Reginald N. Shires,2006-01-30 At the Age for Love A novel of Bangalore during World War II is an extraordinary story of a soldier s family waiting for his safe return from the Africa Front where he serves with a British tank unit pressing hard against the Germans in the desert of Libya The chronicle begins with the soldier Capt Edward Thompson saying goodbye to his wife Amelia and son Paddy and ends with his return at the end of the war The story narrated in incredible detail tells how the boy and his mother with their relatives and friends live in this hectic military city in South India where those who stay behind are swept along into the rushing wild stream of British history in India during a time of war The lives of these women and their children provide a bold story of Anglo India in this multihued Indian landscape where rogues and villains and the honest hard working church going form relationships in this bold saga as men and women cross family and racial boundaries in their search for love The city of Bangalore with its cluster of towns around British army barracks comes alive with memorable characters and this novel follows their tense and gripping relationships The ending where these fun loving characters come together in a frail boat on the peaceful Cauvery River at Seringapatnam near sunset has much to say about life and the human mystery and the vision it offers us as we live in a changing world **Love beneath the Napalm** James D. Redwood,2013-08-25 Love beneath the Napalm is James D Redwood s collection of deeply affecting stories about the enduring effects of colonialism and the Vietnamese War over the course of a century on the Vietnamese and the American and French foreigners who became inextricably connected with their fate These finely etched powerful tales span a wide array of settings from the former imperial capital of Hue at the end of the Nguyen Dynasty to Hanoi after the American pullout from Vietnam the Chinese invasion of Vietnam in 1979 contemporary San Francisco and Schenectady New York Redwood reveals the inner lives of the Vietnamese characters and also shows how others appear through their eyes Some of the images and characters in Love beneath the Napalm the look that Mr Tu s burned and scarred face always inflicts on strangers in the title story attorney and American Vietnam War veteran Carlton Griswold s complicated relationship with Mary Thuy in The Summer Associate Phan Van Toan s grief and desire caught between two worlds in The Stamp Collector provide a haunting vivid portrayal of lives uprooted by conflict Throughout readers will find moments that cut to the quick exposing human resilience sorrow joy and the traumatic impact of war on all those who are swept up in it **The Line of Love** James Branch Cabell,2001-02-01 This

novel set in the mythical land of Poictesme is a romantic and satirical exploration of love across several generations Cabell weaves a series of interconnected stories each illustrating the folly passion and persistence of love in its many forms With his characteristic wit and irony the author delves into themes of chivalry desire and the elusive nature of happiness creating a whimsical yet insightful critique of romantic idealism *Love's Magic Melody* Norma Davis Stoyenoff,1988 Love & Death & Love Leon Zuckrow,2007-09 Expected the despair the sigh and tears and moans because she has gone where body is stripped to bones Yet silliness laughter frivolity and mirth so scandalous after that consignment to earth But she decrees it Then when I come from above we are masters again of joy as well as love In revelry not grief she and I will resume robbing time that old thief as a new bride and groom **Amazing Stories of Everlasting Love** Kavit Anjal,2025-04-17 Amazing Stories of Everlasting Love is a heartfelt collection exploring the many forms of love its joys sorrows and transformative power Each story takes readers on a journey through serendipitous encounters rekindled bonds and emotional growth where love serves not just as a backdrop but the central force of healing change and courage Characters are deeply human shaped by loss fear and vulnerability yet still willing to open their hearts These tales challenge traditional romantic tropes presenting love as a deliberate ongoing choice filled with emotional depth and personal discovery Rich in character detail and evocative settings the book captures the messy beautiful truths of relationships Through diverse love stories ranging from unlikely connections to friendships turned romantic it celebrates the resilience and complexity of the human heart This collection reminds us that love even when imperfect remains a powerful force that shapes who we are and offers hope in the most unexpected moments **Reality: Truth, Words and Love** Vincent M. Riccardi,2022-08-11 The m lange of poetry shared here develops internal connections respecting the elements of its title and the lifelong sensibilities of the author The title of the collection revolves around how we as modern persons realize Reality as a function of Truth as revealed through the innuendo of Words and the existentialism of Love Reality Truth Words Love These elements are manifest in the most mundane and commonplace facts and phenomena through to the most arcane and erudite ideas and emotions We usually separate erudite and mundane on the one hand and facts and emotions on the other But here is an effort to mix the two extremes with each other and the in between Not included in the title is something embedded some might say implicit in the four words just discussed Time That is Reality Truth Words and Love all require or in some way depend on Time for their respective intensions and extensions as Ludwig Wittgenstein might say Time is an element of Reality and that fact is literally in the many of the poems shared here The reader should be sensitive both to the unspoken allusions to Time as well as to the spoken ones e g moments first etc Juxtaposing these elements and the circumstances of their manifestations hopefully provides a new perspective on the Life that is the Reality for us in the 21st Century
