The Significance of Interpersonal Forgiveness in the Gospel of Matthew Isaac Kahwa Mbabazi, 2013-10-21 Isaac Mbabazi makes a major contribution to the field of New Testament by arguing that the relevant Matthean theme of interpersonal forgiveness is quite central to the first Gospel In The Significance of Interpersonal Forgiveness in the Gospel of Matthew he delineates five sets of evidence in support of his argument Beginning with a survey of all Matthean forgiveness and forgiveness related texts he then carries out an in depth exegesis of two key Matthean texts in which the idea of interpersonal forgiveness is explicit Discourse analysis informs his discussion offering valuable insight into Matthew's point of view Mbabazi notes that the forgiveness pattern that emerges from contemporary Greco Roman literature differs remarkably from the pattern found in Matthew where granting forgiveness appears not only as a reasonable act but reluctance or failure to grant it makes the unforgiving person accountable to God **Love of Enemies** William

1 **Disarming the Church** Eric A. Seibert,2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in **Beyond Retribution** Christopher D. Marshall,2001 Recently a growing number of Christians have actively promoted the concept of restorative justice and attempted to develop programs for dealing with crime based on restorative principles But is this approach truly consistent with the teaching of Scripture To date very little has been done to test this claim Beyond Retribution fills a gap by plumbing the New Testament on the topics of crime justice and punishment Christopher Marshall first explores the problems involved in applying ethical teachings from the New Testament to mainstream society He then surveys the extent to which the New Testament addresses criminal justice issues looking in particular at the concept of the justice of God in the teachings of Paul and Jesus He also examines the topic of punishment reviewing the debate in social thinking over the ethics and purpose of punishment including capital punishment and he advocates a new concept of restorative punishment The result of this engaging work is a biblically based challenge to imitate the way of Christ in dealing with both victims and offenders Publisher **Strangers, Neighbors, Friends** Kelly James Clark,Aziz Abu Sarah,Nancy Fuchs Kreimer,2018-08-06 From 9 11 to Israel Palestine to ISIS the fear of the religious stranger is palpable Conservative talk show hosts and liberal public intellectuals are united in blaming religion usually Islam for the world s instability If religion is part of the problem it can and should be part of the solution Strangers Neighbors Friends co authored by a Muslim

Baxter's Practical Works, Volume 1, 2007-12 The editor's preface 1707 p xiii stated that the works of Richard Baxter are perhaps the best body of practical divinity that is extant in our own or any other tongue Richard Baxter lived from 1615-1691 The DIRECTORY was completed in 1665 Its scope was intended to cover all of practical theology a summa of casuistry Timothy Keller calls it the greatest manual on Biblical counseling ever produced

Abide and Go Michael J. Gorman, 2018-07-26 The Gospel of John would seem to be both the spiritual Gospel and a Gospel that promotes Christian mission Some interpreters however have found John to be the product of a sectarian community that promotes a very narrow view of Christian mission and advocates neither love of neighbor nor love of enemy In this book for both the academy and the church Michael Gorman argues that John has a profound spirituality that is robustly missional and that it can be summarized in the paradoxical phrase Abide and go from John 15 Disciples participate in the divine love and life and therefore in the life giving mission of God manifested in the ministry death and resurrection of Jesus As God's children disciples become more and more like this missional God as they become like his Son by the work of the Spirit This spirituality argues Gorman can be called missional theosis

The Nonviolent Messiah Simon J. Joseph, 2014 When scholars have set Jesus against various conceptions of the messiah and other reemphatic figures in early Jewish expectation those questions have been bound up with the problem of violence whether the political violence of a militant messiah or the divine violence carried out by a heavenly or angelic figure Simon J Joseph enters the wide ranging discussion of violence in the Bible taking up questions of Jesus of Nazareth's relationship to the violence of revolutionary militancy and apocalyptic fantasy alike and proposes an innovative new approach Missing from past discussions Joseph contends is the unique conception of an Adamic redeemer figure in the Enochic material a conception that informed the Q tradition and he argues Jesus' own self understanding

Commentary on Thomas Aquinas's Treatise on Divine Law J.

Budziszewski,2021-04-15 Thomas Aquinas's classic Treatise on Divine Law is brought to life in this illuminating line by line commentary which acts as a sequel to Budziszewski's Commentary on Thomas Aquinas's Treatise on Law In this new work Budziszewski reinvestigates the theory of divine law in Aquinas's Summa Theologiae exploring questions concerning faith and reason natural law and revelation the organization of human society and the ultimate destiny of human life This interdisciplinary text includes thorough explanations applications to life and ancillary discussions that open up Aquinas's dense body of work which tends to demand a great deal from readers More than a half century has passed since the last commentary on Thomas Aquinas's view of these matters Budziszewski fills this gap with his consideration of not only the medieval text under examination but also its immediate relevance to contemporary thought and issues of the modern world

Marvelous Myths Russell W Dalton,2011-04-01 What makes someone a hero In the early 1960's the image of a superhero was someone with a square jaw a muscular build and a quick smile whose biggest personal problem was trying to keep their girlfriends from guessing their secret identities Then writer Stan Lee and artists Jack Kirby and Steve Ditko created a group of superheroes who revolutionized comics These heroes including The Fantastic Four The Incredible Hulk Spider man The X men Iron Man Captain America and others were not perfect heroes living in a perfect world but fallible people with physical ailments and personal problems like our own While the authors and artists who created them did not intend to write explicitly religious stories their tales of imperfect heroes who try to do the right thing despite the many challenges they face provide us with the opportunity to reflect on our own faith journeys as we strive to live heroic lives in the real world Each chapter reflects on the heroes most famous adventures and discusses the ways in which we are called to overcome many of the same obstacles they face as we strive to carry out the ministries to which God calls us Each chapter ends with questions for reflection or group study The Practical Works of Richard Baxter; with a Preface, Giving Some Account of the Author, and of this Edition of His Practical Works; an Essay on His Genius, Works, and Times ...
