

A serene sunset scene over the ocean. The sun is a bright, glowing orb in the upper center, casting a warm, golden light across the sky and water. In the background, a large, dark rock formation rises from the sea. The foreground shows the dark, choppy surface of the water with some white foam from breaking waves visible on the right side.

Life's Little Miseries Diane Lynch-Fraser,1992-01-01 Diane Lynch Fraser mother of two and a child development expert provides a simple straightforward parenting guide that addresses moving to a new house temper tantrums starting school feeling left out nightmares all of childhood s everyday problems Life s Little Miseries shows parents how to see their children s problems the way their children see them helping them to find solutions

The Promise of Patriarchy Ula Yvette Taylor,2017-09-05 The patriarchal structure of the Nation of Islam NOI promised black women the prospect of finding a provider and a protector among the organization s men who were fiercely committed to these masculine roles Black women s experience in the NOI however has largely remained on the periphery of scholarship Here Ula Taylor documents their struggle to escape the devaluation of black womanhood while also clinging to the empowering promises of patriarchy Taylor shows how despite being relegated to a lifestyle that did not encourage working outside of the home NOI women found freedom in being able to bypass the degrading experiences connected to labor performed largely by working class black women and in raising and educating their children in racially affirming environments Telling the stories of women like Clara Poole wife of Elijah Muhammad and Burnsteen Sharrieff secretary to W D Fard founder of the Allah Temple of Islam Taylor offers a compelling narrative that explains how their decision to join a homegrown male controlled Islamic movement was a complicated act of self preservation and self love in Jim Crow America

On Form ,2008-09-18 What is form Why does form matter In this imaginative and ambitious study Angela Leighton assesses not only the legacy of Victorian aestheticism and its richly resourceful keyword form but also the very nature of the literary She shows how writers for two centuries and more have returned to the idea of form as something which contains the secret of art itself She tracks the development of the word from the Romantics to contemporary poets and offers close readings of among others Tennyson Pater Woolf Yeats Stevens and Plath to show how form has provided the single most important way of accounting for the movements of literary language itself She investigates for instance the old debate of form and content of form as music or sound shape as the ghostly dynamic and dynamics of a text as well as its long association with the aestheticist principle of being for nothing In a wide ranging and inventive argument she suggests that form is the key to the pleasure of the literary text and that that pleasure is part of what literary criticism itself needs to answer and convey

Howes,Philip C. Miller,2013-11-21 Cognitive therapy is fast becoming one of the more popular and well respected forms of psychotherapy In both research and clinical practice several advantages of cognitive therapy have been identified Cognitive therapy is structured enough to provide a therapeutic framework for clinicians as well as a theoretical framework for clinical researchers yet flexible enough to address an individual s problems in a highly idio syncratic manner Accompanying the popularity of cognitive therapy is the expansion of its application beyond the areas in which it was initially developed and validated the traditional areas of depression and anx iety to areas where validation has not yet occurred the nontraditional areas We strongly believe that such broadening of cognitive therapy should be encouraged but that conceptual models to guide the therapist and researcher in these areas should be explicated It is the purpose of this text to provide a conceptual framework for dealing with select nontraditional populations The idea and motivation for this text develops from a cognitive therapy interest group in Toronto All of the authors contributing to this text are involved in this group We represent a group of cognitive thera pists functioning in a variety of diverse settings including clinical re search units general hospital settings private or public rehabilitation centers and private practices Thus the diversity of referrals for cogni tive therapy within our group is great **Collins' Graphic English dictionary, ed. by A.M. human agenda **Just Breathe: A Collection of Poems by a Grieving Mother** Maureen Gordon, 2023-07-28 Just Breathe is a collection of poems written over the past 8 years following the loss of our only daughter. These poems and short stories depict a Mother's grief and act as an outlet towards healing just a little bit. Hopefully others will appreciate these works and can find solace if the reader is also a bereaved parent. KELSEY lives on in our hearts and souls and my hope is to help others express their pain and grief through prose and poetry. Just Breathe is my mantra and I thought it a fitting title for this book.
