Loving Them Both A Study Of Bisexuality

David Trevor Evans

Loving Them Both A Study Of Bisexuality:

Loving Them Both Colin MacInnes,1973

Same-Sex Dynamics Among Nineteenth-Century Americans D.

Michael Quinn,2001-06-15 Winner of the Herbert Feis Award from the American Historical Association and named one of the best religion books of the year by Publishers Weekly D Michael Quinn s Same Sex Dynamics among Nineteenth Century Americans has elicited critical acclaim as well as controversy Using Mormonism as a case study of the extent of early America s acceptance of same sex intimacy Quinn examines several examples of long term relationships among Mormon same sex couples and the environment in which they flourished before the onset of homophobia in the late 1950s

Bisexualities and AIDS Peter Aggleton,2020-08-11 Since early on in the epidemic there has been much interest in the role that bisexual behaviour among men may play in HIV transmission This text reviews from an international perspective what has been learned about male bisexuality in countries as diverse as Peru and Britain Its authors examine the forms that bisexuality takes in different cultures what it means to the men concerned and whether or not such behaviour poses special risks The implications of such enquiry for HIV prevention efforts are also examined

Women and Deviance: Issues in Social Conflict and Change Nanette J. Davis,Jone M. Keith,2015-12-22 This book first published in 1984 is a selective annotated bibliography on women and deviance that includes historical cross cultural sociological psychological political legal philosophical and social policy perspectives This title is concerned with the origins change conflict and consequences of deviant behaviour and women s adaptation to their changing roles It encompasses monographs journal articles books and government documents in English This title will be of particular interest to students of sociology and criminology

Routledge Library Editions: Women and Crime Various Authors,2022-07-30 This set reissues five books on the subject of women and crime The titles which were originally published between 1930 and 1996 include a book of case studies of female criminals a comprehensive annotated bibliography on the social conflict and change of women in crime and essays which examine the construction of women in criminology This set will be of particular interest to students of both criminology and women s studies

A Companion to Ingmar Bergman Daniel Humphrey,Hamish Ford,2025-01-07 A Companion to Ingmar Bergman This collective project brilliantly launches Bergman studies forward at least a generation or two The 35 contributors comprise a Who s Who of prominent and rising star Bergman scholars diversely and globally Arne Lunde UCLA author of *Nordic Exposures* *Scandinavian Identities in Classical Hollywood Cinema* 2010 Bergman s films are not static They changed dramatically over the filmmaker s lifetime and so too our ways of critically analysing them This superb Companion lays out the tracks of understanding Bergman today Adrian Martin Film Critic author of *Mysteries of Cinema* 2018 The first book in English to address Ingmar Bergman s cinema through a broad array of classical and contemporary approaches A Companion to Ingmar Bergman brings together 32 original essays by established scholars and exciting new voices in the field Representing a uniquely wide range of approaches in academic film studies and beyond the

chapters that make up the volume illuminate a body of work that changed the way cinema is created defined experienced understood and interpreted Thematically organized into four parts the Companion discusses gender exploration and self representation in Bergman s cinema draws evolutionary insights from The Seventh Seal explores existential feelings and religious iconography in the early 1960s trilogy journeys through the filmmaker s island landscape in the context of cinematic tourism and much more Throughout the book hailing from a range of global contexts and backgrounds the authors provide fresh insights into a deeply complex and challenging film artist often from unexpected perspectives An innovative mixture of new scholarship and fresh updated employments of older approaches A Companion to Ingmar Bergman Examines Bergman s cinema through methodologies as diverse as Film Philosophy Star Studies Bisexual Studies Tourism Studies Transgender Studies and Evolutionary Studies Delves into the director s early period in the late 1940s 1950s through his most challenging modernist period in the 1960s and into the 1980s Engages with films long considered problematic by commentators plus unproduced Bergman screenplays including All These Women The Petrified Prince Face to Face and From the Life of the Marionettes A Companion to Ingmar Bergman is a must read for advanced undergraduate and graduate film students postgraduate scholars college and university lecturers and researchers particularly those interested in the application of classical and modern approaches to the study of twentieth century cinema and Bergman fans around the world [Sexual Fluidity](#) Lisa M. Diamond,2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love *Current Research on Bisexuality* Ronald Fox,2013-04-03 Current Research on Bisexuality is an important resource on recent psychological and sociological findings in bisexual studies The authors provide research findings and case studies that add to our understanding of bisexual identity bisexuality and relationships bisexuality and ethnicity and attitudes toward bisexual people This book examines research findings literature reviews and a wealth of resources that currently exist on bisexuality and bisexual issues This book will bring you up to date on bisexual identity development bisexuality in college students cross orientation friendships of bisexual women bisexual married women

and men and their spouses bisexuality and heterosexually married couples monogamous as well as open bisexual relationships the interrelationship of bisexuality race and ethnicity attitudes toward bisexual women and bisexual men Current Research on Bisexuality also contains a comprehensive reader's guide to the current social science literature about bisexuality This bibliography brings together a wide range of nonfiction books journal articles book chapters theses and dissertations on bisexuality with a focus in the theoretical research clinical and community perspectives that have developed in the last twenty years This reading list is essential for students educators researchers and practitioners in psychology counseling social work psychiatry education sociology and anthropology Current Research on Bisexuality provides new knowledge of the life experiences of bisexual people With this book you will find a basis for further research and education about bisexuality in the greater context of ongoing research education and advocacy regarding lesbian gay bisexual and transgender issues

Sexual Citizenship David Evans, 2013-01-11 This enthralling and provocative book provides a new grounding for the understanding of sexual rights It argues that all varieties of sexuality under capitalism are materially constructed out of the complex interrelationship between the market and the state The examples of different sexual rights and lack of rights that it examines include the experience of male homosexuals bisexuals transvestites transsexualists and children Meticulous focused and challenging it will be required reading for anyone interested in modern human sexualities **Bisexuality** Thomas Geller, 1990 **Love and Intimate Relationships** Norman M. Brown, Ellen S. Amatea, 2013-06-17 Using a style that draws students into the ongoing inquiry into how intimate relationships work Love and Intimate Relationships investigates the life cycle of relationships influences that affect them theories behind them and ways to improve them Dozens of stories from students themselves case examples and over 150 tables figure and the cartoons of Don Edwing of Mad Magazine help bring the material alive The book is also unique in exploring aspects of human relationships not covered in other textbooks on the subject Love and Intimate Relationships helps bring the complex issues surrounding intimate relationships into focus for students from diverse backgrounds The multidisciplinary perspective of the textbook makes it ideal for introductory courses in psychology marriage counseling human relations and sexuality and interpersonal relationships *A Companion to Lesbian, Gay, Bisexual, Transgender, and Queer Studies* George E. Haggerty, Molly McGarry, 2015-06-29 A Companion to Lesbian Gay Bisexual Transgender and Queer Studies is the first single volume survey of current discussions taking place in this rapidly developing area of study Recognizing the multidisciplinary nature of the field the editors gather new essays by an international team of established and emerging scholars Addresses the politics economics history and cultural impact of sexuality Engages the future of queer studies by asking what sexuality stands for what work it does and how it continues to structure discussions in various academic disciplines as well as contemporary politics **Handbook of the New Sexuality Studies** Steven Seidman, Nancy Fischer, Chet Meeks, 2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various

disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies

Territories of the Soul Nadia Ellis, 2015-08-27 Nadia Ellis attends to African diasporic belonging as it comes into being through black expressive culture Living in the diaspora Ellis asserts means existing between claims to land and imaginative flights unmoored from the earth that is to live within the territories of the soul Drawing on the work of Jose Mu oz Ellis connects queerness utopian potential with diasporic aesthetics Occupying the territory of the soul being neither here nor there creates in diasporic subjects feelings of loss desire and a sensation of a pull from elsewhere Ellis locates these phenomena in the works of C L R James the testy encounter between George Lamming and James Baldwin at the 1956 Congress of Negro Artists and Writers in Paris the elusiveness of the queer diasporic subject in Andrew Salkey s novel *Escape to an Autumn Pavement* and the trope of spirit possession in Nathaniel Mackey s writing and Burning Spear s reggae Ellis use of queer and affect theory shows how geographies claim diasporic subjects in ways that nationalist or masculinist tropes can never fully capture Diaspora Ellis concludes is best understood as a mode of feeling and belonging one fundamentally shaped by the experience of loss

Revolution - Sex, Gender and Spirituality - Love Set Free Richard Bruvoll Jr., 2024-04-25 Did you know that religion whether you re religious or not is the single topic that has had the most profound impact on the species of human beings David Fontana Reading this book you will be reminded of the human madness and frequently evil attitudes and actions throughout recorded history Much of it probably unknown to many of you Our time s narratives have become cultural truths as so many times before in our history I would recommend that you read about key conceptual explanations and models in Part I before embarking on the journey through this dramatic history of humanity Disclaimer This book is not recommended for people with high blood pressure especially if you are an extreme left wing Darwinist or an extreme right wing Abrahamist You ve hereby been warned Have a good read and learning experience Especially the NDE s Life review stage or more precisely The Life relive stage as the psychologist and researcher Kenneth

Ring puts it This stage resembles both Dante s inferno and the biblical purgatory but with a very interesting twist to it This stage is also the route to go in order to prevent aggressive behavior on all levels The NDE Code connecting the dots Richard Bruvoll Jr Blokus Denmark July 2020 Sexual Citizenship David Trevor Evans,1993 This provocative book provides a new grounding for the understanding of sexual rights It examines the ways in which sexuality is constructed with reference to the rights and lack of rights of homosexuals transvestites children and others **The Big Top on the Big Screen** Teresa Cutler-Broyles,2020-01-27 Circuses and film are a natural pairing and the new essays making up this volume begin the exploration of how these two forms of entertainment have often worked together to create a spectacle of onscreen alchemy The films discussed herein are an eclectic group ranging from early silent comedies to animated 21st century examples in which circuses serve as liminal or carnivalesque spaces wherein characters and by extension audience members can confront issues as far reaching as labor relations sensuality identity ethics and more The circus as discussed in these essays encompasses the big top the midway the sideshow and the freak show it becomes backdrop character catalyst and setting and it is welcoming malicious or terrifying Circus performers are family friends foe or all of the above And film is the medium that brings it all together This volume starts the conversation about how circuses and film can combine to form productive exciting spaces where almost anything can happen **Literacy Research for Political Action and Social Change** Mollie V. Blackburn,Caroline T. Clark,2007 This book and its contributors all of whom view literacy research as explicitly political and potentially transformative provide images and approaches that show how work with in the local can and must be connected to global issues in order to effect political action Researchers and educators are urged to take activist stances that directly affect and address the needs of all people across lines of race class ethnicity sexuality and gender The book is organized into three parts each focusing on different aspects of literacy research for political action These include theoretical considerations and methodological approaches that support this work a reconsideration of the roles of participants as collaborators in this kind of literacy research and finally examples of projects specifically aimed at addressing global issues through local research for political action *Bisexuality and the Challenge to Lesbian Politics* Paula C Rust,1995-10 The subject of bisexuality continues to divide the lesbian and gay community At pride marches in films such as Go Fish at academic conferences the role and status of bisexuals is hotly contested Within lesbian communities formed to support lesbians in a patriarchal and heterosexist society bisexual women are often perceived as a threat or as a political weakness Bisexual women feel that they are regarded with suspicion and distrust if not openly scorned Drawing on her research with over 400 bisexual and lesbian women surveying the treatment of bisexuality in the lesbian and gay press and examining the recent growth of a self consciously political bisexual movement Paula Rust addresses a range of questions pertaining to the political and social relationships between lesbians and bisexual women By tracing the roots of the controversy over bisexuality among lesbians back to the early lesbian feminist debates of the 1970s Rust argues that those debates created the

circumstances in which bisexuality became an inevitable challenge to lesbian politics She also traces it forward predicting the future of sexual politics

Bisexuality Beyond Binaries Lisa Speidel, 2025-03-31 This book brings together a collection of diverse contributors to discuss bisexual erasure and biphobia and how this intersects with racism sexism ableism and transphobia Amplifying the voices of a group often unheard and erased this book explores and celebrates the experiences stories and complexities of bisexual identity providing tools to help dismantle the dehumanization of erasure move beyond the gender binary and increase visibility of multiple bisexualities Beginning by outlining key definitions labels and context each chapter addresses an identity or experience that intersects with bisexual identity such as disability masculinity femininity gender diverse identities media religion dating apps porn non monogamy intimate partner violence aging kink and sex work Each chapter begins with theoretical research before illuminating the personal narratives of bisexual people especially people of color that reflect the negative impact of bisexual erasure as well as the joy beauty and resilience of bisexuality Engaging and powerful this book will help sex therapists students and educators enhance their inclusive and supportive practices It will also be of immense interest to bisexual people so they may see diverse realities celebrating stories of resistance and joy

Loving Them Both A Study Of Bisexuality Introduction

In today's digital age, the availability of Loving Them Both A Study Of Bisexuality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Loving Them Both A Study Of Bisexuality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Loving Them Both A Study Of Bisexuality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Loving Them Both A Study Of Bisexuality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Loving Them Both A Study Of Bisexuality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Loving Them Both A Study Of Bisexuality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Loving Them Both A Study Of Bisexuality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both

public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Loving Them Both A Study Of Bisexuality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Loving Them Both A Study Of Bisexuality books and manuals for download and embark on your journey of knowledge?

FAQs About Loving Them Both A Study Of Bisexuality Books

1. Where can I buy Loving Them Both A Study Of Bisexuality books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
