Loving Challenge:

The Love Challenge T.D Murphy, 2015-04-10 Loving others as Christ has loved you can be challenging but if you want to build stronger relationships with God and others it's not an option it's a must Jesus teaches us in John 15:10-12 that remaining in His love by loving one another as He has loved us releases and increases His joy within us The joy of the Lord is our strength therefore as we continue to grow in the love of Christ we become stronger The Love Challenge is a tool to help us do just that The Love Challenge encourages us to be affirmed in the unfailing love of God in spite of our imperfections It also challenges us to love ourselves Biblically in spite of our imperfections as well as others in spite of theirs The Love Challenge also reveals how to build your relationship be it husband and wife parent and child couples engaged and dating siblings etc on the solid foundation of Biblical love God's way of loving others is the way to love His way works The 21 Day Love Challenge takes you and your loved ones on a three week journey where you pledge to strengthen your relationship by expressing eight attributes of Biblical love from 1 Corinthians 13:4-8 towards yourself one another and others each day Eight is the number of new beginnings Take your relationship into a new beginning by taking on the love challenge which is to follow Christ's example of genuine and mature love As you put the principles taught in The Love Challenge into practice you will be walking on the path to new levels of love joy spiritual growth and strength Are you ready for The Love Challenge

Soul Signs In Love Diane Eichenbaum, 2001-02-08 Do you believe that the key to finding your soul mate is only in your stars That you and your partner must have compatible Sun signs if romance is going to thrive Not so The truth is that many couples who seem ideally matched astrologically don't sustain a loving relationship While most astrology books may tell you that true love is a matter of fate Diane Eichenbaum's Soul Signs in Love shows you that you have the freedom to create the relationship that's right for you Eichenbaum reveals that relationships involve a combination of factors destiny an understanding of each partner's sign and the willingness to work through the highs and lows of love's natural progression Each of the twelve signs of the Zodiac corresponds to a phase of a romance from passionate courtship represented by fiery Aries to the commitment and soul bonding of watery Pisces Each Sun sign has its gifts the discernment of Virgo or the enthusiasm of Sagittarius for example and its corresponding challenges the self-doubt of Taurus or the unpredictability of Aquarius that it brings to a relationship By understanding that the choice to love and grow with your partner is yours and yours alone Soul Signs in Love shows you how to enjoy and revel in the unfolding process of discovery and revelation that underlies lasting love
