**Every Breath You Breathe**, Loving God and Loving Each Other Carroll Martin, Jr., 2011-03-10 Everyone longs for the perfect relationship The relationship must be centered around love devotion and commitment No two people are the same Each has their own hopes and dreams In the perfect relationship there can only be one hope and one dream This is achieved when two lives come together as one forming the union God intended We were able to love one another because God loved us If we follow His example we can have a perfect love Love is there waiting for you Loving God with All Your Mind Gene Edward Veith Jr., 2003-10-07 Our world is alive with fascinating new ideas discoveries and technologies But for Christians this can also present problems especially when the values of postmodernism and secular university life conflict with basic Christian principles What should Christians do when their beliefs come under attack in the classroom or the public square Loving God with All Your Mind shows us that the answer is neither wholesale rejection of intellectual life and culture nor blind acceptance of it The answer lies in understanding that Jesus is Lord of all of life and that everything in life must be carefully viewed in the light of what Christ's lordship means Gene Edward Veith unfolds a dazzling critique of the postmodern intellectual world and culture He affirms the part that is good and true but he also shows crucial weaknesses that have such a hold over contemporary thought This book shows Christians how to survive and flourish in a postmodern world while affirming the truth of the Christian faith Loving God through the Truth, Second Edition Mark Kim, 2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world Sinners in the Hands of a Loving God Brian Zahnd, 2017-08-15 Pastor Brian Zahnd began to question the theology of a wrathful God who delights in punishing sinners and has started to explore the real nature of Jesus and His Father The book isn t only an interesting look at the context of some modern theological ideas it s also offers some profound insight into God s love and eternal plan Relevant Magazine Named one of the Top 10 Books of 2017 God is wrath Or God is Love In his famous sermon Sinners in the Hands of an Angry God Puritan revivalist Jonathan Edwards shaped predominating American theology with a vision of God as angry violent and retributive Three centuries later Brian Zahnd was both mesmerized and terrified by Edwards s wrathful God Haunted by fear that crippled his relationship with God Zahnd spent years praying for a divine experience of hell What Zahnd

experienced instead was the Father's love revealed perfectly through Jesus Christ for all prodigal sons and daughters In Sinners in the Hands of a Loving God Zahnd asks important questions like Is seeing God primarily as wrathful towards sinners true or biblical Is fearing God a normal expected behavior And where might the natural implications of this theological framework lead us Thoughtfully wrestling with subjects like Old Testament genocide the crucifixion of Jesus eternal punishment in hell and the final judgment in Revelation Zanhd maintains that the summit of divine revelation for sinners is not God is wrath but God is love Loving God: The Teachings of Bernard of Clairvaux Ellyn Sanna, 2011-05 Love is the essence the very substance of God Bernard of Clairvaux had a tremendous influence on the eleventh century and his understanding of Divine love can still inspire and challenge us Anamchara's modern version of Loving God brings Bernard's teachings into the twenty first century allowing modern mystics the opportunity to once again sit at the feet of this great theologian All things are ordered measured numbered and weighed by love s structure and nothing is left outside love s realm Bernard of Clairvaux Sinners in the Presence of a Loving God R. Zachary Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis s assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God's omnipresence once the barrier of divine hiddenness is finally removed The Pathway to Knowing and Loving God James R. Eby, 2018-04-02 Every now and then I find a book that strikes a deep chord in my heart Thats how I felt when I read The Pathway to Knowing and Loving God It should be required reading for young leaders and a refresher course for all ministers With simplicity and courage the author calls us higherto character to purity to integrity and intimacy with God Pastors should read it and should encourage their churches to study it If we take this message seriously we will get serious about making disciples J Lee Grady author and director of the Mordecai Project This most recent book is the culmination of a life of walking intimately with Jesus As he has so many times in my own life once again Jim Eby speaks to my heart my will my mind and my spirit leading me closer to Jesus Dr A D Beacham Jr general superintendent IPHC This is a much needed insightful and practical book from a man who has spent decades traveling the world training and encouraging leaders to lay a strong foundation for a life that can bring honor
